Alice Au Pays Des Merveilles French Edition:

Aventures D'Alice Au Pays Des Merveilles (French Edition) John Tenniel, 2020-06-19 The first French translation of Alice's Adventures in Wonderland there have been no less than seventeen others was supervised by Lewis Carroll himself In the opinion of many experts and countless older and younger French readers it is still the best It has a remarkable freshness and originality and admirably renders the English puns and parodies with French equivalents How Doth the Little Crocodile for instance is turned into a parody of La Fontaine the staple of French lesson books Carroll picked Henri Bu as translator on the recommendation of Bu's father who was an Oxford colleague The younger Bu was just at the beginning of his career and Carroll could not have known that he would go on to distinguish himself both as a translator and as an author and editor Bu worked rapidly and had the translation done in a couple of months Carroll on the other hand spent another two years making certain of it He solicited the opinions of many friends to test the puns and verses The prose he seems to have been able to judge for himself and he wrote to his publisher that he was highly pleased with it This reprinting of the first edition is complete with the forty two Tenniel illustrations that were originally included 8 5x11 Large Print Matte Cover Aventures D'Alice Au Pays Des Merveilles (French Edition)
