Alive Book One Of The Generations Trilogy:

Alive Scott Sigler, 2015-07-14 1 NEW YORK TIMES BESTSELLER For fans of *The Hunger Games* *Divergent* and *Red Rising* comes a gripping sci fi adventure in which a group of teenagers wake up in a mysterious corridor with no knowledge of who they are or how they got trapped Their only hope lies with an indomitable young woman who must lead them not only to answers but to survival I open my eyes to darkness Total darkness I hear my own breathing but nothing else I lift my head it thumps against something solid and unmoving There is a board right in front of my face No not a board a lid A teenage girl awakens to find herself trapped in a coffin She has no idea who she is where she is or how she got there Fighting her way free brings little relief she discovers only a room lined with caskets and a handful of equally mystified survivors Beyond their room lies a corridor filled with bones and dust but no people and no answers She knows only one thing about herself her name M Savage which was engraved on the foot of her coffin yet she finds herself in charge She is not the biggest among them or the boldest but for some reason the others trust her Now if they re to have any chance she must get them to trust one another Whatever the truth is she is determined to find it and confront it If she has to lead she will make sure they survive Maybe there s a way out a rational explanation and a fighting chance against the dangers to come Or maybe a reality they cannot comprehend lies just beyond the next turn Praise for *Alive* Suspenseful *Alive* lives up to its hype packing plenty of thrills Entertainment Weekly Fascinating and intriguing a cross between *Lord of the Flies* and *The Maze Runner* and yet so much more Fresh Fiction A ripping claustrophobic thunderbolt of a novel Scott Sigler s *Alive* gives us an unforgettable young hero who must find the inner strength to lead without knowing where she is who she is and how bitterly the odds are stacked against her Pierce Brown New York Times bestselling author of *Red Rising* Sigler has created a wonderful and engrossing character in M Savage Strong and smart but with the na vet and misgivings of any teenage girl she s someone you ll definitely want on your side when s hits the fan which it most certainly does Veronica Belmont host of *Sword Laser* A tense unsettling page turner of a story both deeply strange and wildly compelling Cherie Priest author of *Boneshaker* and *Maplecroft* From the first page I was hooked The puzzle unfolds masterfully right down to the last page Dr Phil Plait author of *Bad Astronomy* *Devil's Due* Ralph Cotton, Federal Deputy Sullivan Hart thinks he has broken the back of the outlaw organization Los Pistoleros after he arrests its leader J T Priest the man who killed his father But just before his trial Priest escapes from jail and he s determined to rebuild his criminal empire Hart knows that if he s ever to put his father s ghost to rest he must stop the outlaw once and for all Only Quick Charlie Sims knows where Priest is planning to meet up with the rest of his gang And Hart is none too sure he can trust the wily gambler who has his own debt to settle with Los Pistoleros leader and his own interest in the organization **Blood Money** Ralph Cotton, 2018-10-16 Ever since Federal Deputy Sullivan Hart lost his father to ruthless J T Priest he s hoped to find the outlaw leader and bring him down When hanging judge Isaac Parker sends Hart and his partner Twojack Roth to break up Priest s infamous gang Los Pistoleros he is only too

willing to fulfill his duty With the price on Priest's head rising gunmen from the East and the West alike come forward rifles in their hands and dollar signs in their eyes Hart and Roth need all the help they can get to catch Priest and his crew who've stolen a million dollars and taken a pretty hostage Joining Hart's hunt is former bounty hunter Jake Coak and the ever resourceful Quick Charlie Sims With these two on his side Hart sets out on a trail leading to a final desert showdown in this the concluding third book in the Dead or Alive Trilogy **The Dream of the Great American Novel** Lawrence

Buell, 2014-02-10 Magisterial makes you suddenly see new things in familiar books brilliant analyses of a dozen or so front runners in the Great American Novel sweepstakes Michael Dirda Virginia Quarterly Review The idea of the great American novel continues to thrive almost as vigorously as in its nineteenth century heyday defying more than 150 years of attempts to dismiss it as amateurish or obsolete In this landmark book the first in many years to take in the whole sweep of national fiction Lawrence Buell reanimates this supposedly antiquated idea demonstrating that its history is a key to the dynamics of national literature and national identity itself The dream of the G A N as Henry James nicknamed it crystallized soon after the Civil War In fresh in depth readings of selected contenders from the 1850s onward in conversation with hundreds of other novels Buell delineates four scripts for G A N candidates and their themes illustrated by such titles as The Scarlet Letter The Great Gatsby Invisible Man Uncle Tom's Cabin Beloved Moby Dick and Gravity's Rainbow works dwelling on topics from self invention to the promise and pitfalls of democracy The canvas of the great American novel is in constant motion reflecting revolutions in fictional fashion the changing face of authorship and the inseparability of high culture from popular As Buell reveals the elusive G A N showcases the myth of the United States as a nation perpetually under construction Engaging and provocative ultimately affirms the importance of literature to a nation's sense of itself Sarah Graham Times Literary

Supplement Rich in critical insight Buell wonders if the GAN isn't stirring again in surprising new developments in science fiction An impressively ambitious literary survey Booklist starred review *Istorica* Michelle Levigne, 2016-01-21 Khyber is Istorica for the exiles the one entrusted with remembering all their history everything they've learned Despite the support of her grandmother Dayree Khyber feels she's let down her family by not being able to step between worlds and take the exiles home She has many gifts but her talent for telling stories becomes the most important when it offers the exiles a chance to reach out and find other exiles from Rehdonna However enemies have followed the exiles to Earth and the only way to protect her family and village is to live separated from them under a false name For the sake of the exiles Khyber will do whatever it takes and in the process find her way home *Generation M (The Toucan Trilogy, Book 3)* Scott

Cramer, 2021-11-22 The explosive conclusion of the Toucan Trilogy As Colony East scientists coldly implement their vision of a utopian society Abby goes on a desperate journey to find her brother and sister and save the lives of millions [Alight](#) Scott Sigler, 2016-04-05 In Alive Scott Sigler introduced readers to an unforgettable young heroine and a mysterious new world reminiscent of those of The Hunger Games Divergent and Red Rising Now he expands his singular vision in the next

thrilling novel of this powerful sci fi adventure series If it s war they want they messed with the wrong girl M Savage or Em as she is called has made a bewildering and ominous discovery She and the other young people she was chosen to lead awoke in strange coffins with no memory of their names or their pasts They faced an empty unknown place of twisting tunnels and human bones With only one another to depend on they searched for answers and found the truth about their terrifying fate Confronted by a monstrous enemy they vowed never to surrender and by any means to survive The planet Omeyocan may be the sanctuary Em and her comrades seek But the planet for which they were created turns out not to be a pristine virgin world Vestiges of a lost civilization testify to a horrifying past that may yet repeat itself And when a new enemy creeps from the jungle shadows Em and her young refugees learn there s nowhere left to run They face a simple choice fight or die In the midst of this desperate struggle their unity is compromised from within and a dangerous zealot devoted to a bloodthirsty god moves to usurp Em s command threatening to lead them all down a path to violent doom Praise for Scott Sigler s Alive Suspenseful Alive lives up to its hype packing plenty of thrills A page turner that whets the appetite for volume 2 Entertainment Weekly Fascinating and intriguing a cross between Lord of the Flies and The Maze Runner and yet so much more Fresh Fiction A ripping claustrophobic thunderbolt of a novel Pierce Brown New York Times bestselling author of Red Rising Unstoppable and real M Savage is one hell of a heroine Get ready to be left breathless Kristin Cast New York Times bestselling author of the House of Night series Sigler has created a wonderful and engrossing character in M Savage Strong and smart but with the na vet and misgivings of any teenage girl she s someone you ll definitely want on your side when s t hits the fan which it most certainly does Veronica Belmont host of Sword Laser The puzzle unfolds masterfully right down to the last page Phil Plait PhD author of Bad Astronomy

[Australian Books and Authors in the American Marketplace 1840s-1940s](#) David Carter,Roger Osborne,2018-07-02 Australian Books and Authors in the American Marketplace 1840s 1940s explores how Australian writers and their works were present in the United States before the mid twentieth century to a much greater degree than previously acknowledged Drawing on fresh archival research and combining the approaches of literary criticism print culture studies and book history David Carter and Roger Osborne demonstrate that Australian writing was transnational long before the contemporary period In mapping Australian literature s connections to British and US markets their research challenges established understandings of national imperial and world literatures Carter and Osborne examine how Australian authors editors and publishers engaged productively with their American counterparts and how American readers and reviewers responded to Australian works They consider the role played by British publishers and agents in taking Australian writing to America and how the international circulation of new literary genres created new opportunities for novelists to move between markets Some of these writers such as Christina Stead and Patrick White remain household names others who once enjoyed international fame such as Dale Collins and Alice Grant Rosman have been largely forgotten The story of their books in America reveals how culture commerce and copyright

law interacted to create both opportunities and obstacles for Australian writers **The Pall Mall Budget** ,1884 *E. F. Benson* **ULTIMATE COLLECTION: 30 Novels & 70+ Short Stories (Illustrated)** E.
