All Good Women A Novel:

All Good Women Valerie Miner, 2014-08-19 As World War II rages abroad a group of women forge the bonds of sisterhood in America In 1938 while tensions in Europe are reaching a boiling point four young women with big ambitions enter secretarial school in San Francisco Motivated to attain the financial stability that eluded their parents they go to battle for their futures Moira of Scottish descent dreams of being an actress Ann yearns for the education her Jewish immigrant parents provided for her brother but not for her Japanese American Wanda experiences firsthand the racial injustices running rampant in the United States And Teddy who left the Dust Bowl for sunny California comes to startling realizations about herself as the war progresses These women will be both buoyed and challenged by their dreams experiencing love loss and everything in between Against the backdrop of a nation gripped by fear and paranoia Miner eloquently captures the spirit of wartime on the home front

All Good Women Valerie Miner, 1987 Four young women in business school decide to share a house and their lives Together they face the problems of the depression World War II the deportation of one of their group to a detention camp love marriage and all the rest

Problem Novels Anna Maria Jones, 2007 In *Problem Novels* Anna Maria Jones argues that far from participating invisibly in disciplinary regimes many Victorian novels articulate sophisticated theories about the role of the novel in the formation of the self In fact it is rare to find a Victorian novel in which questions about the danger or utility of novel reading are not embedded within the narrative In other words one of the stories that the Victorian novel tells over and over again is the story of what novels do to readers This story occurs in moments that call attention to the reader's engagement with the text In chapters on Wilkie Collins Anthony Trollope and George Meredith Jones examines problem novels that is novels that both narrate and invite problematic reading as part of their theorizing of cultural production *Problem Novels* demonstrates that these works posit a culturally embedded sensationally susceptible reader and at the same time present a methodology for critical engagement with cultural texts Thus the novels theorize paradoxically a reader who is both unconsciously interpellated and critically empowered And Jones argues it is this paradoxical construction of the unconscious critical subject that re-emerges in the theoretical paradigms of Victorian cultural studies scholarship Indeed as *Problem Novels* shows Victorianists' attachments to critical detective work closely resemble the sensational attachments that we assume shaped Victorian novel readers

Modern Men Michael Kane, 1999-12-01 An examination of some of the canonical works of modern literature in English and German with regard to masculinity relations between men national identity and patriarchy These were major preoccupations of male writers as they came to terms with or reacted against the decline of patriarchal authority The book identifies five leitmotifs which serve to characterize the period between 1880 and 1930 the double the other narcissus and Salome the nationalization of Narcissus Kampf or male bondage and after patriarchy Again and again one sees how men attempted to define themselves against what they imagined as femininity not merely outside but also within their selves and further how men sought to overcome or find a socially acceptable expression for their narcissistic homosexual and even sadomasochist libido

The Writings of Harriet Beecher Stowe Harriet Beecher Stowe, 1896 *The Writings of Harriet Beecher Stowe* Stowe, 1896 *The Saturday Review of Politics, Literature, Science and Art*, 1857 *The Experimental Impulse in George Meredith's Fiction* Richard C. Stevenson, 2004 This book argues that George Meredith as a writer of Victorian fiction is most critical for us today because of the ways in which he wrote against convention The focus is on seven novels *An Essay on Comedy* *The Ordeal of Richard Feverel* *The Adventures of Harry Richmond* *The Egoist* *One of Our Conquerors* *Lord Ormont and His Aminta* and *The Amazing Marriage* which clearly illuminate the experimental and transgressive impulse in Meredith as seen in his treatment of controversial contemporary themes in his departures from conventions of genre and in his innovations with narrative technique and the representation of consciousness canonical writers we now associate with the first wave of modernism in the English novel James and then Woolf Forster Lawrence Conrad Ford and Joyce to varying degrees all saw Meredith as an influence to be reckoned with in their own novelistic experimentation an influence this book proposes essential to understanding the modernist translation of nineteenth century realism into new formal thematic and psychological realms twentieth century British novel at the University of Oregon
