The Women's Sultanate P.S. Garbol, 2009-12-29 In the fabulous surroundings of the sacred city of Christianity and Islam Constantinople or Istanbul a young innocent but desperate housewife of striking beauty gradually becomes entangled in a web of a glamorous career in fashion modeling trusting the promises of a unscrupulous filthy rich Jewish patroness for a rapid financial advancement and a luxurious lifestyle However soon enough the two roles undergo a profound transformation as the patroness motives prove to be much more subtle and noble than simply turning a pretty woman into a pin up girl or possibly an aristocratic call girl while the innocent victim's secret intentions are much more hideous than simply starting a lucrative career in fashion or artistic photography might imply In fact after an unexpected and mysterious death it becomes even vaguer if this tragic event is just an accident or a well orchestrated assassination by a blackmailed victim Incidentally two retired military officers from the EU who are visiting Istanbul as tourists investigating mysterious historic events as archeological amateur detectives get also involved in this enigmatic affair as they discern several fuzzy coincidences relating this untimely death with the accidental demise of a past Ottoman Sultan many centuries ago The fog over Istanbul gradually thickens as progressively more unscrupulous people intentionally or unwillingly get involved in the conspiracy motivated by a great variety of unclear and possibly conflicting intentions This significant increase in the number of participants is promptly followed by another assassination attempt that nearly misses its target In the ensuing chaos where fanatical competitors become momentarily trusted allies practically all the participants lose their bearings driven only by the urge to prevail when the fog is finally dispersed Only the hideous murderer knows exactly what must be done because his or her aims are the most clearly defined P S Garbol

Lovelace, 2002-01-17 Worship Small groups Community outreach Prayer Evangelism Political action Missions Signs of renewal are springing up everywhere How can we encourage and sustain this spiritual vigor How can we make renewal a way of life Spiritual growth says Richard Lovelace depends on grasping and applying certain key biblical principles We need to understand how the forces of evil work against us and what God has done for us in Christ Lovelace begins by focusing on

our need to develop a God centered kingdom centered life He then details the dangers and strategies of the world the flesh and the devil Individually we are renewed as we grow in Christ who accepts us frees us from bondage to sin and lives in us through the Holy Spirit Corporately we are renewed as we pray participate in community life increase our theological depth and reach out with the gospel in word and deed This book incorporates insights from seven years thought since Lovelace s earlier Dynamics of Spiritual Life Its shorter length and added discussion questions make it ideal for small group study as well as for individual reflection This is a guidebook for all who desire spiritual growth *The Road to Nirvana* Max Cioux,2015-03-10 The Road to Nirvana is a coming of age story told through the now ancient eyes of Theodore Herald The manuscript shares a plethora of life lessons told through a series of engagingly charming vignettes intended to sweep the reader gently at first into the raging torrent of modern history to its inevitable though dramatic conclusion Embedded comfortably alongside this story is a viewpoint of appalling viciousness deceit and corruption as told by Jimmy DeMarco and his hoodlum in training The Count Consigned to the dustbin of history the town of Glory fights desperately for survival Evil paralyzes the populace Set in the fictional 1950s town of Glory Teds steady maturation is vastly accelerated when a series of brutal murders force him to choose between a trusted confidant and mentor or the status quo and the rampant racial prejudice that dominates the town The victims are discovered partially dismembered in shallow graves near his friends home by a survey crew for an improved road that links Glory with the neighboring town of Nirvana This is a cautionary tale that reminds us that the folly of youth may come back to haunt us It invokes the boyhood adventure of Tom Sawyer with the courtroom drama of Earl Stanley Gardner while recalling a simpler time It also recounts the ugliness of society before the term politically correct was a part of our daily lexicon Theodore Herald who is at best a devil may care youth and at worst a juvenile delinquent is suddenly thrust into the harsh spotlight of notoriety when he testifies on behalf of his friend The metamorphosis from gleeful purveyor of skullduggery to responsible adult is like flipping a light switch Unfortunately Teds credibility is called into question when his colorful past is revealed Lives hang in the balance as a deliciously twisted ending unfolds **Riders of the Purple Sage** Zane Grey,2023-11-09 Set against the sweeping landscapes of the American West Zane Grey s Riders of the Purple Sage is a quintessential Western novel that explores themes of justice love and individualism Through its vivid descriptions and rich characterizations Grey captures the rugged beauty of the desert and the moral complexities faced by its inhabitants The narrative follows the struggles of a lone rancher who must confront external threats to his land and the woman he loves all while navigating the harsh realities of frontier life With its poetic language and gripping plot the novel stands as a hallmark of early 20th century American literature contributing to the mythology of the West and influencing subsequent Western genre writing Zane Grey an avid outdoorsman and former dentist drew on his own experiences in the American West to craft a narrative filled with authenticity and passion His love for the region is evident in the rich landscapes and intricate cultural nuances he weaves into the story Grey s understanding of human desire and
