heiress of the Vatche in Buckinghamshire and of several other places besides Sir Robert Walpole had been the godfather of Robert Hare Naylor and presented him with a valuable sinecure office as a christening present and he further made the Bishop urge the Church as the profession in which father and godfather could best aid the boy's advancement Accordingly Robert took orders obtained a living and was made a Canon of Winchester While he was still very young his father had further secured his fortunes by marrying him to the heiress who lived nearest to his mother's property of the Vatche and by the beautiful Sarah Selman daughter of the owner of Chalfont St Peter's and sister of Mrs Lefevre he had two sons Francis and Robert and an only daughter Anna Maria afterwards Mrs Bulkeley In the zenith of her youth and loveliness however Sarah Hare died very suddenly from eating ices when overheated at a ball and soon afterwards Robert married a second wife the rich Henrietta Henckel who pulled down Hurstmonceaux Castle She did this because she was jealous of the sons of her predecessor and wished to build a large new house which she persuaded her husband to settle upon her own children who were numerous though only two daughters lived to any great age But she was justly punished for when Robert Hare died it was discovered that the great house which Wyatt had built for Mrs Hare and which is now known as Hurstmonceaux Place was erected upon entailed land so that the house stripped of furniture and the property shorn of its most valuable farms passed to Francis Hare Naylor son of Miss Selman Mrs Henckel Hare lived on to a great age and when the burden of her years came on her she repented of her avarice and injustice and coming back to Hurstmonceaux in childish senility would wander round and round the castle ruins in the early morning and late evening wringing her hands and saying Who could have done such a wicked thing oh who could have done such a wicked thing as to pull down this beautiful old place Then her daughters Caroline and Marianne walking beside her would say Oh dear mamma it was you who did it it was you yourself who did it you know and she would despairingly resume Oh no that is impossible it could not have been me I could not have done such a wicked thing it could not have been me that did it My cousin Marcus Hare had at Abbots Kerswell a picture of Mrs Henckel Hare which was always surrounded with crape bows
