All About the Benjamins Ryan Benjamin,2010-07-08 What Is My Purpose? Dr. Vijaya Chetty,2014-02-04 This book is for all parents those who are pregnant those who already are gifted with children and those future mothers and fathers just waiting for a special soul to make their life complete For the latter this book can be used daily for mediation and as a tool in asking for that special little person to choose us to be their parents For those who have already been blessed with little ones this book can be used as a valuable reminder for them as to who they are where they are and what their purpose in life is We are so busy reacting to external situations in our ever changing world that we often forget who we really are smothering ourselves in a blanket of stress and anxiety over things that dont really matter The ever observant child will learn to mimic how we deal with situations carrying the same heavy blanket with them and can in turn lose track of what really matters who they are and their real purpose in life This book is about shedding those unnecessary layers to reveal our true selves so that through successful relationships we can share our love happiness peace truth and strength with each individual we come in to contact with Please do not underestimate the capabilities of a child Whether he or she is a teenager 6 years old a newborn baby or a young fetus they all can hear us and they all feed off the love we show them Every child whatever their age needs us to love them unconditionally care for them and to be good role models Practice this by reading the book to your loved ones wherever they may be I wish you the very best and I am grateful for this opportunity to share all my love happiness and strength with all the parents and children in this world and beyond Dr Vijaya Chetty *The Works of the Rev. Creative Ideas for Ministry with the Aged Sue Pickering, 2014-09-30 *Creative Ideas for Ministry with the Aged* is a wise timely and practical handbook that meets the urgent need for resources for ministry among the elderly. Written out of the author's own experience as a chaplain to a residential care community, it is suitable for ministers who visit the elderly, chaplains, pastoral visitors and caregivers, and all who help train others in elderly pastoral care. Part 1 explores the key theological elements of ministry with the aged, focusing on themes such as the sacrament of the present moment. It asks what constitutes spiritual care and conversation with those whose minds and bodies are failing. Part 2 provides simple service outlines for reconnecting with old treasures and includes liturgies for communion services, services of the word, and remembering special days. Parts 3 and 4 offer imaginative ideas for pastoral practices and spiritual activities using prayer, song, laughter, memory, touch, anointing, and more to address questions of loss, letting go, forgiveness, dying, and resurrection.
