Out of the Transylvania Night Aura Imbarus,2012-08-14 I d grown up in the land of TRANSYLVANIA homeland to Dracula Vlad the Impaler and worse the Communist dictator Nicolae Ceausescu who turned Romania into a land of gray clad zombies who never dared to show their individuality and where neighbors became informants and the Securitate made people disappear writes the author Daylight empowered the regime to encircle us like starved wolves and so night had always been the time to steal a bit of freedom As if bred into our Transylvanian blood we were like vampires who came to life after sundown I buried the family jewels and left my outpost to join the action tonight Ceausescu would die Known for using stand ins to pose for him Aura doubts if it was even Ceausescu himself who was killed that night Nevertheless when her countrymen topple one of the most draconian regimes in the Soviet bloc Aura Imbarus tells herself that life post revolution will be different But little in the country changes With two pieces of luggage and a powerful dream Aura and her new husband flee to America Through sacrifice and hard work the couple acquire the American Dream but discover that straddling two cultures is much more complicated than they expect
