All I Want For Christmas Beets:

Einstein's Beets Alexander Theroux, 2017-05-10 Britney Spears loathes meatloaf and all lumpy stuff Arturo Toscanini hated fish Ayn Rand despised salads Alexander Theroux's *Einstein's Beets* is a study of the world of food and food aversions The novelist and poet probes the secret and mysterious attitudes of hundreds of people mostly famous and well known toward eating and dining out hilariously recounting tales of confrontation and scandalous alienation it contains gossip confession embarrassment and perceptive observations *The Cozy Christmas Cookbook* Taylor Vance, 2024-09-24 The Cozy Christmas Cookbook includes all the tips advice and traditional and trendy recipes you need to celebrate the holiday season with those closest to you *Garden & Home Builder* William Tyler Miller, 1914 *The Garden Magazine*, 1914

Garden Magazine and Home Builder, 1913 **The Home Fires: Wartime Letters Written from Mother to Son** Gregory Edwin Price, 2006-07-09 *The Home Fires* is a true story of the unconditional love of a mother for her first born son away in the U S Navy during World War Two This emotion is rivetingly documented through the letters written by Helen Price to her son Edwin from his arrival in basic training in October of 1944 through to the dropping of the atomic bombs over Japan in August of 1945 Not merely a unique supplement to the historical perspective of the World War Two era these letters illustrate the detail of Helen's everyday life her hopes her fears her dreams her foibles and her courage Written from the family farm in the Bustleton section of Philadelphia this account will powerfully touch every parent who has ever had any concerns about their child leaving home for the first time More than 60 years after they had been written these letters are being published for the first time They have been lovingly edited for clarity by Helen's grandson Gregory Edwin Price

Hell by the Acre Daniel A. Masters, 2024-11-21 Explores the pivotal Stones River Campaign of 1862 1863 detailing the intense battles and firsthand accounts that turned the tide for the Union Army The waning days of 1862 marked a nadir in the fortunes of the Union After major defeats at Fredericksburg in Virginia and Chickasaw Bayou in Mississippi it fell to Maj Gen William S Rosecrans and his Army of the Cumberland to secure a victory that would give military teeth to the Emancipation Proclamation set to take effect on January 1 1863 Rosecrans moved his army out of Nashville on the day after Christmas to Murfreesboro met Gen Braxton Bragg's Army of Tennessee and fought one of the largest and bloodiest battles of the war The full campaign with extensive new material and coverage is the subject of Daniel Masters new *Hell by the Acre* A Narrative History of the Stones River Campaign November 1862 January 1863 The opposing armies 44 000 men under Rosecrans and 37 000 under Bragg locked bayonets on December 31 1862 in some of the hardest fighting of the war Bragg's initial attack drove the Federals back nearly three miles captured 29 cannons and thousands of prisoners Somehow the Union lines held firm during the critical fighting along the Nashville Pike that afternoon against repeated determined attacks that left both armies bloodied and exhausted The decisive moment came two days later when in the fading afternoon of January 2 1863 Bragg launched an assault on an isolated Union division on the east bank of Stones River Once again the

Confederates enjoyed initial success only to be repulsed by 58 Union guns arrayed along the west bank and a daring counterattack. This repulse broke Bragg's hold on Murfreesboro. He retreated the following night leaving Rosecrans and his army victors of the field. Stones River was the quintessential soldiers' battle. Prior books focus more on the generalship and high level commands than the often forgotten men in the ranks. Masters constructed his study from the ground up by focusing on the experiences of the front line troops through hundreds of archival and firsthand accounts many of which have never been published. Hell by the Acre is an unparalleled soldier's view of Civil War combat and tactical command. Stones River marked a turning point for Federal fortunes in the Western Theater and this fresh and original study sets forth the hefty cost of securing that victory for the Union.
