Suk, Kathleen M. Vogel, Amanda Jane Ozin, 2015-06-04 In September 2011 scientists announced new experimental findings that would not only threaten the conduct and publication of influenza research but would have significant policy and intelligence implications The findings presented a modified variant of the H5N1 avian influenza virus hereafter referred to as the H5N1 virus that was transmissible via aerosol between ferrets These results suggested a worrisome possibility the

existence of a new airborne and highly lethal H5N1 virus that could cause a deadly global pandemic In response a series of international discussions on the nature of dual use life science arose These discussions addressed the complex social technical political security and ethical issues related to dual use research This Research Topic will be devoted to contributions that explore this matrix of issues from a variety of case study and international perspectives [Training for job interview Offshore Oil & Gas Platforms](#) Petrogav International Oil & Gas Training Center,2020-07-01 The job interview is probably the most important step you will take in your job search journey Because it s always important to be prepared to respond effectively to the questions that employers typically ask at a job interview Petrogav International has prepared this eBooks that will help you to get a job in oil and gas industry Since these questions are so common hiring managers will expect you to be able to answer them smoothly and without hesitation This eBook contains 281 questions and answers for job interview and as a BONUS web addresses to 289 video movies for a better understanding of the technological process This course covers aspects like HSE Process Mechanical Electrical and Instrumentation Control that will enable you to apply for any position in the Oil and Gas Industry [Waste and the City](#) Colin McFarlane,2023-08-15 In an age of pandemics the relationship between the health of the city and good sanitation has never been more important Waste and the City is a call to action on one of modern urban life s most neglected issues sanitation infrastructure The Covid 19 pandemic has laid bare the devastating consequences of unequal access to sanitation in cities across the globe At this critical moment in global public health Colin McFarlane makes the urgent case for Sanitation for All The book outlines the worldwide sanitation crisis and offers a vision for a renewed equitable investment in sanitation that democratises and socialises the modern city Adopting Henri Lefebvre s concept of the right to the city it uses the notion of citylife to reframe the discourse on sanitation from a narrowly defined policy discussion to a question of democratic right to public life and health In doing so the book shows that sanitation is an urbanizing force whose importance extends beyond hygiene to the very foundation of urban social life
