needs of the preacher to whom Christ is everything This is first of all a preacher s dictionary The authors of the articles have
been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles
have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is
thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of

range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in
the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the
