Global Economic Outlook 2025: Trends, Risks, And Recovery Pathways Florence Faulkner, The world stands at the cusp of a transformative era grappling with unprecedented economic shifts and uncertainties. In this landscape, understanding the trajectory of global markets, identifying emerging trends, and anticipating potential risks is crucial for policymakers, investors, and businesses alike. This book offers a comprehensive analysis of the global economic outlook for 2025, providing readers with valuable insights into the complex dynamics shaping our financial future. The book delves into the core trends influencing the global economy, from technological advancements to geopolitical tensions. It examines how these forces drive growth and pose challenges across various sectors. The analysis includes an in-depth look at key economic indicators, providing a nuanced understanding of market behaviors and economic cycles. The exploration of these trends sets the stage for a detailed discussion on the potential pathways to recovery and sustainable development. As the global economy navigates through a myriad of challenges, identifying and addressing the risks becomes paramount. The book highlights the critical risks that could derail economic progress, such as trade conflicts, cyber threats, and climate change. It also outlines strategic responses to mitigate these risks, offering practical solutions for maintaining economic stability.
