Black Cowboys in the American West Bruce A.

Glasrud, Michael N. Searles, 2016-09-28 Who were the black cowboys They were drovers foremen fiddlers cowpunchers cattle rustlers cooks and singers They worked as wranglers riders ropers bulldoggers and bronc busters They came from varied backgrounds some grew up in slavery while free blacks often got their start in Texas and Mexico Most who joined the long trail drives were men but black women also rode and worked on western ranches and farms The first overview of the subject in more than fifty years Black Cowboys in the American West surveys the life and work of these cattle drivers from the years before the Civil War through the turn of the twentieth century Including both classic previously published articles and exciting new research this collection also features select accounts of twentieth century rodeos music people and films Arranged in three sections Cowboys on the Range Performing Cowboys and Outriders of the Black Cowboys the thirteen chapters illuminate the great diversity of the black cowboy experience Like all ranch hands and riders African American cowboys lived hard dangerous lives But black drovers were expected to do the roughest most dangerous work and to do it without complaint They faced discrimination out west albeit less than in the South which many had left in search of autonomy and freedom As cowboys they could escape the brutal violence visited on African Americans in many southern communities and northern cities Black cowhands remain an integral part of life in the West the descendants of African Americans who ventured west and helped settle and establish black communities This long overdue examination of nineteenth and twentieth century black cowboys ensures that they and their many stories and experiences will continue to be known and told
