Investing Tips

Tammy Gagne

Investing Tips:

Investing Tips Grampa Taught Us Victor Eber, Elizabeth Masson, Eric Eber, 2001 With so many money management books on the market I decided to write this book from the perspective of two of my grandchildren In 174 pages adorned with cartoons and other graphics I try to offer guidance on money and markets in a style devoid of jargon There are no short easy methods for doubling your money The book is however a road map to help traverse today's baffling financial highways My investing ideas drawn from 45 years of money management and teaching experience are keyed strictly to a get rich slowly strategy Stockbrokers may not like the strong warnings aimed at not so independent advisers Stock investing is my investment of choice with a dedication to fundamental valuation for long term investing planning today for financing young children's education as well as retirement planning for adults My dedication to stock investing stems from statistical comparisons compiled by a leading research firm which shows over a 68 year period stocks have outperformed bond Treasuries and bank CD's by wide margins For most my best bet is to invest in well chosen no load mutual funds Hold for the long term put in a fixed amount periodically and do not withdraw dividends That's my strategy

A Teen Guide to Saving and Investing Tammy Gagne, 2014-04 Earning money from an allowance or part time job is a great way to start becoming more independent But what you do with the money you earn can make a huge difference in your future independence Saving and investing are the best ways to make sure you can do all of the things that you are dreaming about for your future Whether you want to go to a top rated university buy a car or retire while you are still young putting money away is the way to make your wish a reality This book explains the most common forms of savings and investments and the risks associated with each of them
