

TEN STEPS TO MINDFULNESS MEDITATION

Create time & space.

Choose a regular time each day for mindfulness meditation practice, ideally a quiet place free from distraction.

Set a timer.

Start with just 5 minutes and ease your way up to 15-40 minutes.

Find a comfortable sitting position.

Sit cross-legged on the floor, on the grass, or in a chair your feet flat on the ground.

Check your posture.

Sit up straight, hands in a comfortable position. Keep neck long, chin tilted slightly downward, tongue resting on roof of mouth. Relax shoulders. Close eyes or gaze downward 5-10 feet in front of you.

Take deep breaths.

Deep breathing helps settle the body and establish your presence in the space.

Direct attention to your breath.

Focus on a part of the body where the breath feels prominent: nostrils; back of throat; or diaphragm. Try not to switch focus.

Maintain attention to your breath.

As you inhale and exhale, focus on the breath. If attention wanders, return to the breath. Let go of thoughts, feelings or distractions.

Repeat steps 6-7.

For the duration of meditation session. The mind will wander. Simply acknowledge this and return to your breath.

Be kind to yourself.

Don't be upset if focus occasionally drifts or if you fall asleep. If very tired, meditate with eyes open and rearrange posture to more erect (but still relaxed) position.

Prepare for a soft landing.

When the timer goes off, keep eyes closed until you're ready to open them. Be thankful. Acknowledge your practice with gratitude.

The Dance of Rituals Lily Cooper,2024-10-22 The Dance of Rituals Buddhism and the Connection with the Divine Buddhist Rituals is a mysterious invitation to explore the secrets of the spirit It is not merely about repeated gestures or ancient traditions but about secret doors that once opened reveal a dimension where the sacred and the everyday dance in eternal communion Each ritual described is not just an act but a path to awakening what is most authentic and dormant in the human soul As you delve into the practices unveiled here you are not just reading about Buddhism you are called to feel the echo of ancient chants to visualize offerings dissipating as symbols of detachment and to touch the invisible that inhabits each breath The descriptions evoke rituals where the toll of a bell can resonate through time and the aroma of incense not only perfumes the air but transforms the surrounding energy dissolving the veil between the material and the immaterial The Theravada Mahayana and Vajrayana traditions emerge from the pages like trails winding up the mountain of the spirit each offering unique ways to reach the essential and the eternal The practice is presented not as an end in itself but as a map of forgotten paths leading the practitioner to break free from illusions and glimpse the essence of all things In this work rituals

are instruments to transcend the ordinary capable of awakening an ancient echo in the reader's heart reminding them that the search for meaning is not distant but latent in the present moment Buddhist Rituals is not just a book it is a key for those who dare to explore the unknown and align themselves with the mysteries that permeate life
