Alice's Erotic Journey Through the Looking-Glass Cherie Wilde, Humpty Dumpty s hands grasped the hem of Alice s dress lifting the fabric with deliberate slowness The cool air caressed her legs as the material rose higher past her knees past her thighs until her bottom was fully exposed to the open air She shivered not from cold but from the peculiar vulnerability of her position hands braced against the sun warmed wall skirts raised awaiting a punishment she could neither see nor predict It seemed the looking glass world was determined to reveal new sensations at every turn each more startling than the last Alice felt Humpty s presence shift behind her the air displacing slightly as he moved Then came a momentary stillness a pause pregnant with anticipation that made her breath catch in her throat When the first smack landed the sharp sound of palm against flesh cracked through the air like summer lightning followed an instant later by a sting that made Alice gasp aloud Oh The exclamation escaped her lips before she could contain it her body jerking forward against the wall The warmth of the bricks pressed against her palms a steadying presence as a curious heat bloomed across the right cheek of her bottom Alice s Erotic Journey Through the Looking Glass is a sensual reimagining of the classic story daringly transformed into a luscious tapestry of desire decadence
