planet Cancris The AIs methodically slaughtered over 250 humans forcing a small group of survivors to flee Earth Now humanity's only hope is a mysterious prophecy claiming a Crystal Child will produce the perfect solution for the Cancris successful advancement to a human hybrid species If she fails the Cancris will kill all those on the star and annihilate all beings on Earth Then they plan to settle in forever Kristal is stunned She's the Crystal Child Even the scientists have tried and failed to conquer the Cancris And she's just an ordinary clueless kid in middle school with ADD no less The harder she tries to think the more her brain shuts down She's the opposite of what humankind needs right now What a cruel cosmic joke But no one's laughing And now all eyes are on her Spanning three decades and unfathomable distances in outer space Crystal Child The Diamond Star Saga is more than a thrilling sci fi ride It's a testament to grit teamwork and above all compassion for every living creature including Mother Earth herself
