your destiny If they are real can we talk to them like we would a good friend Do they hear our thoughts and know our every deed Do angels have opinions or judge us Archangels Speak answers these and many other questions The best way to use angels in your life is to think of them as a means to bring you into alignment with your Higher Truth and Higher Self When we get stuck in defensive points of view operating primarily from the defended ego we often get ourselves into ruts and patterns that make us miserable With the angel s words this book helps to bump us out of that ego mind and into something grander It asks us to consider Love before hate and challenges us to think in new ways
