An Unlikely Angel:

An Unlikely Angel Ernie McBroom Jr.,2015-02-05 Juel Jones could play a guitar the first time she picked one up but nobody ever knew A beautiful girl from a troubled family she gets lost in the world at an early age and sells herself for money Living in a dingy motel barely nineteen years old she writes the first two verses of a song that will one day be heard by the world Her audience a stray yellow cat Working in a massage parlor a thousand miles from home Juel sets out hitchhiking in a fit of anger when along comes Sammy Reed Twenty one the day the story begins Sammy is drifting through life in the aftermath of an unthinkable family tragedy California bound from North Carolina in a windowless 69 Camaro Over the next six months and several thousand miles things happen in the lives of these two beautiful losers that cant be logically explained Things such as the song and its incredible mysterious journey from the back of a brown paper sack to a number one hit As the writer of this story I attempt to raise a number of interesting possibilities The characters I use and the things they do and say will offend some people I know In their defense Id simply say that I personally believe God meant everybody to matter Everybody The Unlikely Angel Betina M. The Tempter's Voice Eric Jager, 2018-07-05 Why was the story of Adam Eve and the Serpent so important to medieval literary culture Eric Jager argues that during the Middle Ages the story of the Fall was incorporated into a comprehensive myth about language Drawing on a wide range of texts Jager shows how patristic and medieval authors used the Fall to confront practical and theoretical problems in many areas of life and thought including education hermeneutics rhetoric feudal politics and gender relations Jager explores the Fall's meaning for clergy and laity nobles and commoners men and women Among the works Jager discusses are texts by Ambrose Augustine the early Christian poet Avitus and

scholastic authors Old English biblical epics Middle English spiritual writings French courtesy books and the poetry of Dante and Chaucer Examples from the visual arts are included as well Jager links medieval interpretations of the Fall to underlying cultural anxieties about the ambiguity of the sign the instability of oral tradition the pleasure of the text and the many rhetorical guises of the tempter's voice He also assesses the modern and postmodern legacy of the Fall showing how this myth continues to embody central ideas concerning language The Tempter's Voice will be essential reading for scholars and students in such fields as medieval studies literary theory gender theory comparative literature cultural history and the history of religion

The Trials of Eric Moreo Charles Ferrall, Rebecca Ellis, 2002 When flamboyant musician Eric Moreo was convicted twice in 1936 of murdering his actress wife Thelma most New Zealanders believed that justice had been served But a few were not so sure including the second trial judge and the Crown's overseas medical expert Moreover the Crown's star witness the dancer Freda Stark had been having an affair with the dead woman Why did the vast majority of New Zealanders believe in Moreo's guilt when the scientific evidence was so weak and the Crown's case depended on a person who by the standards of the day would have been called a sexual pervert In the answer to this question lies an insight into the social mores of New Zealanders during the Depression and perhaps beyond The trials of Eric Moreo were a social drama that caught the conscience of a people
