Opportunity A. Posner, 2018-03-26 When life gives us lemons we must learn to make lemonade Like lemonade opportunity can be bitter or sweet It s what we do with it that counts With hard work and determination we can learn to make lemon icing But society still bakes the cake Only when there is a mutual acceptance and equal OPPORTUNITY can our sweet icing become an integral part of the ENRICHED CAKE OF LIFE for all of society to enjoy *Beyond the Darkness* Magdalene Patricia Balloy, 2010-09 Thirty one year old Magdalene Patricia Balloy s life changed drastically in 1963 It was the turning point and signaled the beginning of her life s journey with Christ This memoir follows her inspirational path beginning with an out of body experience when Jesus in a glowing robe of pure light appeared to her Covering a span of forty years Beyond the Darkness describes in detail what has transpired in Balloy s daily walk with Jesus since that life changing experience The story also relates her life s journey from her birth on the island of Grenada in the British West Indies growing up in a childhood filled with depravity and abuse to her current work as a volunteer Through personal anecdotes and poetry detailing her faith experiences Balloy shows how God has worked in her life She explores some of the doubts fears and perplexities she has experienced in various life situations and illustrates how she found comfort and guidance in the Bible Beyond the Darkness serves as an inspirational memento of a Christian life well lived

Music Camp Penny Tangey, 2025-06-03 Miley and Juliet have nothing in common apart from a love of music Miley lives in a caravan because she lost her home in a flood so she s excited to win a scholarship to attend the five day Music Camp This is her chance to prove to everyone that the recorder is a serious musical instrument Flautist Juliet comes from classical music royalty Her late father was an esteemed clarinet player and she wants to honour his legacy She s also keen to make friends with people who don t know about her tragic past though perhaps not with that girl who thinks the recorder is a serious musical instrument Over the week Miley and Juliet don t always see eye to eye especially when they both audition for the only woodwind solo at the final night s concert But with torrential rain threatening to flood the camp their dreams might get washed away Can they put their differences aside and face the music together Words to Live By T.R.

Robinson, 2023-05-22 The importance of words cannot be overstated In our earthly realm a business leader politician or coach can speak or write words of encouragement that result in people achieving more and reaching heights previously

thought unattainable The opposite can also occur when charismatic leaders influence their followers to commit atrocities The critical importance of the word is never more illustrated when you consider that God spoke the word and the universe came into being Think about the apostles when they realized that Jesus s life represented a fulfillment of prophecy The word became flesh and dwelt among us Words to Live By is more than an inspirational book In fact Words to Live By is a guide to help you seek out compile and live life according to a set of words you can be proud of A set of words which encourages hope A set of words which leaves a legacy of a life others can follow with a can do mentality It is my hope that this book will serve as the catalyst for you the reader to create a life lived on purpose following God s will To define your meaning of success and achievement based upon the relationships you nurture with others To become an overcomer and never give up when faced with the inevitable hurdles obstacles and disappointments we all experience in life Perfect for teaching positive values in your classroom Sunday School class or book group
