Fiction Across Borders Shameem Black, 2010 Theorists of Orientalism and postcolonialism argue that novelists betray political and cultural anxieties when characterizing the Other Shameem Black takes a different stance Turning a fresh eye toward several key contemporary novelists she reveals how border crossing fiction represents socially diverse groups without resorting to stereotype idealization or other forms of imaginative constraint Focusing on the work of J M Coetzee Amitav Ghosh Jeffrey

Eugenides Ruth Ozeki Charles Johnson Gish Jen and Rupa Bajwa Black introduces an interpretative lens that captures the ways in which these authors envision an ethics of representing social difference They not only offer sympathetic portrayals of the lives of others but also detail the processes of imagining social difference Whether depicting the multilingual worlds of South and Southeast Asia the exportation of American culture abroad or the racial tension of postapartheid South Africa these transcultural representations explore social and political hierarchies in constructive ways Boldly confronting the orthodoxies of recent literary criticism Fiction Across Borders builds upon such seminal works as Edward Said s Orientalism and offers a provocative new study of the late twentieth century novel Sin and Grace in Christian Counseling Mark R. McMinn,2010-02-28 Stereotypical tendencies in Christian counseling include either emphasizing sin at the expense of grace or grace at the expense of sin Mark R McMinn seeks to overcome these exaggerations and enable all those in the helping professions see the proper understanding and place of both sin and God s grace in the Christian counseling process **The God Point** Cassandra Blizzard,2012-08-04 A Psychic Medium s Perspective on Life and Beyond Since the dawn of man we have tried to understand ourselves our place in the world our place in the universe and we have tried to understand describe and explain what our true Self is that thing that most of us sense as being a part of us and yet separate from us Where do we come from Where do we go when we die The God Point delves deep into this multi layered mystery I really enjoyed the book and I could hardly put it down until I was finished I highly recommend The God Point to anyone that is looking for some real answers to their life and what is beyond This was a wonderful book about how it all works I mean really Cassandra starts with the physical self and takes you all the way step by step to the God Point I gave this book 5 stars because you get the big picture when you read it You will better understand who you are how to relate to your self and what is beyond or after that Cassandra writes very well and this book is an easy read The God Point is an extraordinary journey into the meaning of life and the true nature of Life Cassandra Blizzard addresses life in all its layers and answers age old questions about the Soul and what lies beyond When we understand our true state of being we find the peace within and we walk in harmony with one another The God Point is our journey to Oneness We want to know about the origins of our Soul and what role we play in the hereafter We tend to be so mired in our physical lives and all the ensuing drama that our Soul becomes an after thought instead of being an integral part of our lives We question the nature of our existence and our purpose in life all the while pushing our Soul to the background But our Soul is the one thing that can bring us balance and peace in an oftentimes troubling world Covers virtually every aspect of life the spiritual realm and even the paranormal This amazing book is the Bible of the soul YourBookAuthors com Religion Spirituality New Age Meditation Religion Spirituality Spirituality Personal Growth Philosophy Religion Spirituality Spirituality Personal Growth Self Help Religion Spirituality Spirituality Personal Growth Transformational Cognitive Psychology Mysticism Afterlife Life after death Self Help Spiritual
