Ancient Egypt Medicine For Kids:

Ancient Egyptian Medicine John F. Nunn, 2002 The skills of the ancient Egyptians in preserving bodies through mummification are well known but their expertise in the everyday medical practices needed to treat the living is less familiar and often misinterpreted John F Nunn draws on his own experience as an eminent doctor of medicine and an Egyptologist to reassess the evidence He has translated and reviewed the original Egyptian medical papyri and has reconsidered other sources of information including skeletons mummies statues tomb paintings and coffins Illustrations highlight symptoms of similar conditions in patients ancient and modern and the criteria by which the Egyptian doctors made their diagnoses many still valid today are evaluated in the light of current medical knowledge In addition an appendix listing all known named doctors contains previously unpublished additions from newly translated texts Spells and incantations and the relationship of magic and religion to medical practice are also explored Incorporating the most recent insights of modern medicine and Egyptology the result is the most comprehensive and authoritative general book to be published on this fascinating subject for many years
