Issues in Materials Development Maryam Azarnoosh, Mitra Zeraatpishe, Akram Faravani, Hamid Reza Kargozari, 2016-03-22 *Issues in Materials Development* provides readers with theoretical foundations and practical aspects of designing materials for EFL ESL contexts. It starts with discussing some basic and preliminary principles of materials design followed by scrutinizing critical issues in materials development in an objective and systematic way. This ranges from considering learners' needs adopting adapting selection and gradation of materials to the specific focus of the book on developing various types of materials for the four language skills pronunciation ESP vocabulary and computer assisted language learning materials. Authenticity of materials to be designed and the inclusion of affective factors to develop motivating materials to engage language learners in addition to features of materials design at a universal level are other areas to read about. This book finally tries to open new horizons and possible futuristic approaches to improve today's ELT materials.

Developing Materials for Language Teaching Brian Tomlinson, 2023-08-24 Viewing current developments in materials development through the eyes of developers users and researchers from all over the world this book applies principles to practice. It provides a comprehensive coverage of the main aspects and issues in the field as well as critical overviews of recent developments in materials development and acts as a stimulus for innovation. Now revised and updated to take account of developments over the last decade this 3rd edition features 8 new chapters covering materials use blended learning multimodality intercultural competence communicative competence the practical realisation of theoretical principles in the development of digital materials the teaching of right to left languages and the commodification of grammar. Fully updated chapters with contemporary examples and considering teaching second and foreign languages other than English. New pedagogical resources with the addition of tasks and further readings for each chapter. New online resources. 2 new chapters on producing videos on teacher development courses and materials development on teacher training courses and 2 updated chapters on development courses for teachers and simulations in teacher development alongside a range of additional tasks and further reading suggestions.

Conversations with Male Inmates at Indiana State Prison Concerning Education and Its Rehabilitative Effects Susan A. Lichtman, 2004 More a collection of essays and other writings than conversations per se this work presents work penned by male prison inmates involved in postsecondary education programs behind prison walls. The collection is presented by Lichtman English Columbia College with the intention of demonstrating the value of such programs.

The writings sometimes directly reflect on inmates experiences with educational programs but more often simply reveal their experiences of prison and education through essays fiction and poetry Annotation 2004 Book News Inc Portland OR
