
The Crucible Act 1 Study Guide

As the play begins, why has Reverend Parris sent for a doctor? - His daughter Betty is "sick" - as if in a coma

What advice does the doctor send back? - That he can find no medical reason for her illness, and he should look for an "unnatural reason."

What does Reverend Parris question Abigail about? - If her name in the village is "white" - meaning, is her reputation good.

What is Parris' main concern? - His reputation as a minister and material possessions.

What/Who did Parris see in the woods the night before? - He saw Abigail, Betty and other girls dancing in the woods.

What has Elizabeth Proctor said about Abigail? - Elizabeth knows that Abigail and her husband had an affair, so she fired her from their service. Abigail believes that Elizabeth has spread "rumors" about the affair.

Why does Abigail say she was dismissed by the Proctors'? - She claims that she was dismissed because she refused to be treated like a slave. She calls Elizabeth a "...bitter woman, a lying, cold, sniveling woman..."

What rumors have circulated about Betty Parris? What proof later occurs that "proves" that she is a witch? - Villagers say they saw her flying over a barn. When Betty has a fit as people downstairs sing a psalm (a religious song), Mrs. Putnam claims that Betty cannot bear to hear the Lord's name because she is a witch.

Why did Mrs. Putnam contact Tituba? - She has lost 7 children in childbirth and wants to know who is "killing" her babies.

Who does Abigail accuse of conjuring spirits at this point? - Tituba

What does Betty Parris reveal about what happened in the woods? - Betty reveals that Abigail drank blood as a charm to kill Elizabeth.

What threat does Abigail make to the other girls? - She threatens to "...come to you in the black of some terrible night and I will bring a pointy reckoning that will shudder you." In other words, she threatens to hurt them physically if they tell.

What happened in the past between John Proctor and Abigail? How do they feel about it now? - They had an affair when she worked at the Proctors'. John has put a stop to it, but Abigail still pursues him.

Literature Gordon W. Brown, 2002 Empowering Students Through Multilingual and Content Discourse Finley, Stacie Lynn, Correll, Pamela, Pearman, Cathy, Huffman, Stephanie, 2023-07-25 Empowering Students Through Multilingual and Content Discourse is a peer reviewed research book that challenges the traditional monolingual classroom approach where the teacher's voice dominates and only the dominant culture's language is considered the path to success. The book aims to empower students by creating classroom spaces where all voices are heard, valued, and empowered. It draws on research from scholars who study discourse and offers insights into how discourse can be used to promote language and literacy development, honor all students' voices, and empower them. This book also provides guidance on culturally and linguistically sustaining discourse practices and encourages educators to incorporate students' home languages and discourse practices in classroom instruction. It challenges educators to move away from centering White English and represent language more responsibly within the classroom. This research is a valuable resource for academic scholars and a useful tool for teachers looking to cultivate student-centered classroom practices. By encouraging discourse among students, educators can create a space where human life holds meaning and students feel empowered to act and use their voices. **Miller: The Crucible** Bloomsbury Publishing, 2017-03-14 Part of a series of literature guides designed for GCSE coursework requirements, this book contains author details, background to the work, summaries of the text, critical commentaries, analysis of characterization, and sample questions with guideline answers. **The Jeremiah Project Part 1—The Scrapbook** A.J. Foltz, 2013-05-02 Turn off all the noise and get yourself comfortable. Jeremiah invites you in. The Jeremiah Project Part 1 The Scrapbook has the bones of a study guide, but as Scripture is searched and questions are answered, the study takes on the form of a novelette. The study begins with Jeremiah's official appointment. Jeremiah will represent the Lord in a monumental court case that administers justice. This case still affects us today. The Lord had a legal and binding relationship with Israel. Their relationship is compared to marriage in this study of God's Word. When God acquired Israel as a vessel, bride, Israel acquired God's promises which were outlined in a living and breathing contract. The once gracious contract which united the two parties in holy union has, by legal recourse, become a beast which in study serves to bind the pair in its merciless grip. The Jeremiah Project Part 1 The Scrapbook is a user-friendly study that you cannot afford to miss. It's like finding a few more pieces to that big puzzle of life. Some of us have a good start at putting it all together, but the picture of life becomes a little clearer and makes more sense after spending some time with Jeremiah. You will find insightful information as he, by appointment from God, delivers wisdom, comfort, and strength that will get many through the upheaval in our world.
