Liberty Tax Service Basic Income Tax Course

Congratulations! You made it to the end. We hope you have learned some basics about taxes and had some fun doing it.

This final is much like the midterm. It is a learning tool to reinforce the material that was covered in the course. It is a take-home, open book final and is comprehensive, using information from the entire course.

The final has two separate problems. Be careful not to combine the material from the problems. Please read each problem carefully before beginning.

Be sure to use both the information provided in the text and the forms supplied for each problem.

He purchased 500 shares of JTH on February 19, 2013 and sold all of the shares on October 27, 2016. Gary made four federal estimated tax payments of \$200 on the scheduled due dates.
