## ACTIVITY 1: HOW BIG IS IT?

1. Explore the "How Big is a...?" web page at <http://www.cellsalive.com/howbig.htm>. Here you will look at objects found on the head of a pin. Your job is to rank them in order of size on the chart below and estimate the length of each (in nanometers, micrometers, or millimeters). The line in the bottom right corner of the screen is used to help you estimate. Sketch each of the objects.

| Object     | Sketch                                                                              | Size in nanometers, micrometers or millimeters |
|------------|-------------------------------------------------------------------------------------|------------------------------------------------|
| Human hair |   | 2 millimeters                                  |
| Dust Mite  |  | 200micrometers                                 |
