Power Skills - English Version Dafna Blaschkauer, 2023-10-01 SUCCESS IS WORKING ON SOMETHING YOU ARE PASSIONATE ABOUT IT S HAVING THE FREEDOM OF CHOICE AND BEING HAPPY IN A PROCESS OF CONTINUOUS DEVELOPMENT AND LEARNING In an increasingly fast paced world we cannot continue to believe that only technical knowledge will be enough in the workplace to pave the way for an exceptional career We live in a scenario of constant innovation and what universities and recruiters don t tell us is that the professional who truly stands out is the one who can combine knowledge with behavioral skills transforming them into powerful tools for success In *Power Skills* Dafna Blaschkauer a renowned executive in the international corporate market presents the ways to master the powerful skills that already exist within you and awaken your maximum power something essential for achieving success in your career and life Once you understand that hard and soft skills alone are not enough to enhance your professional life but rather a combination of the two developed until they become Power Skills you will be on the right path to transform your journey Here you will learn How to map your Power Skills and use them to your advantage The skills you need to stand out in any job market A simple and practical method to enhance your discipline and accomplish what needs to be done Techniques for saying no elegantly and better controlling your schedule How to transform day to day challenges and adversity into growth opportunities Strategies to improve your communication collaboration and empathy and how they will help you build healthier relationships enhancing your career How to recognize behaviors that block you from achieving your goals How to reach your maximum power and fulfill your dreams by combining your technical knowledge with what s best within you

Raise Your Standards, Rule Your Life: Unlock the Best Version of You Silas Mary, 2025-02-17 The quality of your life is directly tied to the standards you set for yourself *Raise Your Standards Rule Your Life* shows you how to elevate your expectations both for yourself and for the world around you This book challenges you to stop settling for mediocrity and to demand greatness in every area of your life You will learn how to set higher standards for your health career relationships and personal growth and how to take consistent action toward becoming the best version of yourself When you raise your standards you raise your entire life This book will show you exactly how to unlock your true potential and rule your life with confidence purpose and determination Habit Forming Elizabeth Kelly Gray, 2023 Habitual drug use in the United States is at least as old as the nation itself *Habit Forming* traces the history of unregulated drug use and dependency before 1914 when the Harrison Narcotic Tax Act limited sales of opiates and cocaine under US law Many Americans used opiates and other drugs medically and became addicted Some tried Hasheesh Candy injected morphine or visited opium dens but neither use nor addiction was linked to crime due to the dearth of restrictive laws After the Civil War American presses published extensively about domestic addiction Later in the nineteenth century many used cocaine and heroin as medicine As addiction became a major public health issue commentators typically sympathized with white middle class drug users while criticizing

such use by poor or working class people and people of color When habituation was associated with middle class morphine users few advocated for restricted drug access By the 1910s as use was increasingly associated with poor young men support for regulations increased In outlawing users access to habit forming drugs at the national level a public health problem became a larger legal and social problem one with an enduring influence on American drug laws and their enforcement
