## Lesson 1 Using Context Clues

Sometimes, we face new situations away from the comfort of our homes and families. Have you ever had to face an uncomfortable situation, wishing it were over before it started? Maybe your family moved, and you had to go to a new school where you didn't know anyone. Or perhaps you had to go to the dentist to get a filling for the first time. The words in the following list have to do with the feelings that you might have or actions you might take as you experience a new or uncomfortable situation.
