Transported to Another World Stephen Reysen,Courtney N. Plante,Daniel Chadborn,Sharon E. Roberts,Kathleen C. Gerbasi,2021-04-19 Anime manga Japanese animation and comics have been increasing in popularity worldwide for decades But despite being a global phenomenon there s been surprisingly little psychological research formally studying its devoted fanbase In this book we aim to do just that with an overview of nearly a decade of research by fan psychologists Otaku and cosplayers genre preferences hentai parasocial connections motivation personality fanship and fandom stigma and well being this book looks at all of these topics through a psychological lens Many of these findings are being presented for the first time without the jargon and messy statistical analyses but in plain language so it s accessible to all readers fans and curious observers alike

Sport Fans Daniel L. Wann,Jeffrey D. James,Cody T. Havard,Elizabeth B. Delia,2025-07-31 Sports and the fans that follow them are everywhere The third edition of Sport Fans The Psychology and

Social Impact of Fandom examines the affective behavioral and cognitive reactions of fans to better comprehend how sport impacts individual fans and society as a whole Using up to date research and theory from multiple disciplines including psychology sociology marketing history and religious studies this textbook provides a deeper understanding of topics such as the pervasiveness of sport fandom in society common demographic and personality characteristics of fans how fandom can provide a sense of belonging of uniqueness and of meaning in life the process of becoming a sport fan sport fan consumption and the future of sport and the fan experience Thoroughly updated throughout this new edition includes New chapters on rivalry between fandoms and needs met by fandom Increased coverage of fandom for women s sports and fans Additional sections on how fans react to the emotions of athletes sport fandom as a platform for social change attachments to specific sports spectators at youth sporting events and local versus nonlocal sports Expanded coverage of research on other targets of identification and what we can learn from this about sport fandom Expertly combining a rigorous level of empirical research and theory in an engaging accessible format Sport Fans remains the essential text on sport fan behavior

Fangasm Katherine Larsen,Lynn S. Zubernis,2013-10 Once upon a time not long ago two responsible college professors Lynn the psychologist and Kathy the literary scholar fell in love with the television show Supernatural and turned their oh so practical lives upside down Plunging headlong into the hidden realms of fandom they scoured the Internet for pictures of stars Jensen Ackles and Jared Padalecki and secretly penned racy fan fiction And then they hit the road crisscrossing the country racking up frequent flyer miles with alarming ease standing in convention lines at 4 A M They had white knuckled encounters with overly zealous security guards one year and smiling invitations to the Supernatural set the next Actors stripping in their trailers fangirls sneaking onto film sets drunken confessions squeals of joy tears of despair wallets emptied and responsibilities left behind intrigue and ecstasy and crushing disappointment it s all here And yet even as they reveled in their fandom the authors were asking themselves whether it s okay to be a fan especially for grown women with careers and kids Crazytalkerchicks that s what they heard from Supernatural crew members security guards airport immigration officials even sometimes their fellow fans But what Kathy and Lynn found was that most fans were very much like themselves smart capable women looking for something of their own that engages their brains and their libidos Fangasm pulls back the curtain on the secret worlds of fans and famous alike revealing Supernatural behind the scenes and discovering just how much the cast and crew know about what the fans are up to Anyone who s been tempted to throw off the constraints of respectability and indulge a secret passion or hit the road with a best friend will want to come along **Handbook of Consumer Psychology** Curtis P. Haugtvedt,Paul M. Herr, Frank R. Kardes,2018-12-07 This Handbook contains a unique collection of chapters written by the world s leading researchers in the dynamic field of consumer psychology Although these researchers are housed in different academic departments ie marketing psychology advertising communications all have the common goal of attaining a better scientific understanding of cognitive affective and behavioral responses to products and

services the marketing of these products and services and societal and ethical concerns associated with marketing processes Consumer psychology is a discipline at the interface of marketing advertising and psychology The research in this area focuses on fundamental psychological processes as well as on issues associated with the use of theoretical principles in applied contexts The Handbook presents state of the art research as well as providing a place for authors to put forward suggestions for future research and practice The Handbook is most appropriate for graduate level courses in marketing psychology communications consumer behavior and advertising Sport Psychology Daniel L. Wann, 1997 Written from a psychologist s perspective this text offers a general overview of the application of psychology to sport settings by covering a wide spectrum of sport psychology subject matter
