Asian English Language Classrooms Handoyo Puji Widodo, Alistair Wood, Deepti Gupta, 2017-06-14 The teaching of English in the Asian context is always challenging and dynamic because both teachers and learners have diverse linguistic and cultural backgrounds Equally important where English is not widely used outside the classroom English language classrooms are an authentic site of learner engagement For these reasons for all those concerned with contemporary English language teaching *ELT in Asia Asian English Language Classrooms Where Theory and Practice Meet* provides an account of theoretical orientations and practices in the teaching of English to multilingual speakers whose primary language is not English While covering the fundamental ELT areas e g the teaching of language skills educational literature the use of technology in ELT the role of pragmatics in ELT social psychology of the language classroom and language classroom management with which every language teacher and teacher trainer must be concerned this volume showcases how particular orientations shape ELT practices We believe that practicing English teachers must have a heightened awareness of the theory behind their practice At the same time the theoretical stance must be firmly anchored in actual classrooms Containing newly commissioned chapters written by well regarded and emerging scholars this book will appeal not only to beginning teachers or teachers in training but also to established teachers around Asia where English is used as a lingua franca If you are a student teacher of English or an English teacher who would like to see what other progressive teachers like you are doing across Asia this is the book you have been looking for

The Secularization of Baptism Mark G. McKim, 2025-01-31 Does God actually do anything in baptism Is it more than just a symbol Most early Baptists would have answered yes Most Baptists today would answer no How and why did this change happen and does it matter Providing thorough documentation of the changing understandings of baptism among American Canadian and English Baptists from the 1600s to the present day *The Secularization of Baptism* demonstrates that four factors led to the symbolic only position becoming dominant These were suspicion in reaction to Roman Catholicism of the idea of God revealing himself through the physical the influence of the Enlightenment and embarrassment with claims that God could be acting in the world today reaction against the Oxford Movement and reaction against the understanding of baptism advocated by the Disciples of Christ Campbellites The now dominant symbolic only position so focuses attention on what the believer is doing in baptism that God is seen as largely absent from and doing nothing through the rite in effect believers baptism has been secularized A carefully reasoned biblical and theological argument is made for a return to the Regular Particular Baptist view that God is both profoundly spiritually present and active in baptism while at the same time rejecting the sacramentalist position advocated by a small number of mid twentieth and twenty first century Baptists such as H Wheeler Robinson George Beasley Murray Stanley K Fowler and Anthony R Cross

Common Sense Questions About Learners Gerard Giordano, 2017-05-24 Parents asked educators about their children s learning Frustrated when they were ignored

they asked politicians to put pressure on the educators They were then surprised when the politicians provided personal advice about the optimal way to nurture learning They were even more surprised when the politicians prescribed changes to instruction curriculum textbooks technology school safety teacher retention student behavior school funding and even the menus for school cafeterias More frustrated than ever they intensified their barrage of common sense questions
