

14 ALLERGENS

coming to a food label near you

The way allergens are labelled on your packaged foods is changing because of new regulations. The Food Information Regulation, which comes into effect December 2014, introduces a requirement that food businesses must provide information about the allergenic ingredients used in any food they sell or provide.

There are 14 major allergens which need to be mentioned either on a label or through provided information such as menus when they are used as ingredients in a food. Here are the allergens, and some examples of where they can be found.
