FIGURING OUT LIFE WITH A GOD WHO HIDES

Aloof Figuring Out Life With A God Who Hides

J.R. Briggs, Bob Hyatt

Aloof Figuring Out Life With A God Who Hides:

Aloof Tony Kriz, 2015-01-20 God are you there is a near universal cry of the human heart We have all longed for God to be tangible Some might sway to worship music others go on missions others fast from food The universal quest is to feel the divine and yet the divine seems aloof even shy In this narrative driven book Tony Kriz leads the reader on a journey of orchestrated epiphanies along the eternal quest to tangibly encounter God including the unpredictable moments that give us hope and even more so the long gaps between those moments that challenge our faith Written in an authentic conversational style *Aloof* is easily accessible to those who don't know much about the Bible yet the message is still theologically informed and culturally relevant This book will help you process how God acts uniquely towards us depending upon each stage of life The chapters include contemporary real life stories that normalize the experience of an often hidden God while also aiding the reader to acknowledge the very real moments rare though they may be when God has shown up in a tangible way

Eldership and the Mission of God J.R. Briggs, Bob Hyatt, 2015-01-23 The biblical model for church leadership is found not only in pastors but also in teams of elders who oversee shepherd teach equip and guide the community into God's mission In this practical guide J R Briggs and Bob Hyatt unpack the role character and posture of a mission oriented elder

Stumbling toward Wholeness Andrew J Bauman, 2018 We desire to be transformed to grow more and more like Christ But for many of us our strategies for change don't work We misperceive God as a judgmental Father leaving us demoralized and paralyzed by shame *Stumbling toward Wholeness* offers a new strategy for spiritual growth and life transformation regularly returning to the arms of a kind and loving Father There are many books that explore the parable of the Prodigal Son but few approach it with the personal vulnerability and psychological insight of Andrew Bauman Andrew shows how taking the time to identify with each of the brothers in this story can help us come to terms with our own brokenness and the need for God revealed in it We discover a process of change that applies to each of us and a healing journey that moves us toward the likeness of the Father in how we love the people around us and address the pain others have caused us

Rescuing the Gospel from the Cowboys Richard Twiss, 2015-06-09 The gospel of Jesus has not always been good news for Native Americans But despite the far reaching effects of colonialism some Natives have forged culturally authentic ways to follow Jesus In his final work Richard Twiss surveys the complicated history of Christian missions among Indigenous peoples and voices a hopeful vision of contextual Native Christian faith

American Learned Men and Women with Czechoslovak Roots Mila Rechcigl, 2020-11-18 Apart from a few articles no comprehensive study has been written about the learned men and women in America with Czechoslovak roots That's what this compendium is all about with the focus on immigration from the period of mass migration and beyond irrespective whether they were born in their European ancestral homes or whether they have descended from them Czech and Slovak immigrants including Bohemian Jews have brought to the New World their talents their ingenuity their technical skills their scientific knowhow and their humanistic and spiritual

upbringing reflecting upon the richness of their culture and traditions developed throughout centuries in their ancestral home This accounts for the remarkable success and achievements of these settlers in their new home transcending through their descendants as this monograph demonstrates The monograph has been organized into sections by subject areas i e Scholars Social Scientists Biological Scientists and Physical Scientists Each individual entry is usually accompanied with literature and additional biographical sources for readers who wish to pursue a deeper study The selection of individuals has been strictly based on geographical ground without regards to their native language or ethical background This was because under the Habsburg rule the official language was German and any nationalistic aspirations were not tolerated Consequently it would be virtually impossible to determine their innate ethnic roots or how the respective individuals felt Doing it in any other way would be a mere guessing and thus less objective

Encyclopedia of Bohemian and Czech-American

Ensminger, Ph. D, 2009-02-11 TITLE THE DARKNESS OF 10 000 STARS AUTHOR JOHN J ENSMINGER PhD Meet Arthur Banks a wise gentleman nearly 80 retired Navy chaplain who has been a friend to George Farmer and his sons all his life However after George passed away Arthur experienced a long absence from the Farmer family and he is stunned when suddenly he receives a phone call from Nick Farmer George's youngest son and his godson Although Nick has called primarily to say hello to his old friend he's expressed to Arthur that he's having a serious health problem and that he his wife and children now reside up on the coast highway in a small town called Sinnerville Nick is coming down to Frisco for some tests the following week and he may be able to stop and see Arthur Although Arthur was gladly anticipating Nick's visit nothing ever came of it Therefore Arthur telephones Nick to plan a trip to Sinnerville to meet his family and visit Nick about his illness Arthur makes the 5 1 2 trip to Sinnerville and learns that everything appears to be fine with Nick and his family Nick's problem seems to stem from

something terrible going on at the Post Office where he works but Arthur feels sure things will all settle down and work out. He promises his constant support and prayers whatever happens. However a few days later while Arthur has been home he receives another sudden call this time from Nick's wife Darlene whom he has just met. She wants Arthur to return ASAP as Nick is reportedly acting suicidal. With tremendous concern Arthur advises Darlene to remove all the weapons from the property if she can do so safely and he promises to return as soon as he can work out his travel plans. When he does return to Sinnerville Nick's health had visibly declined he is in a dark confused mood. Nick attempts to explain what's been going on at work but it all seems quite unbelievable. However Darlene agrees that it is exactly as her husband has said. Therefore Arthur plans to look into the matter on their behalf if they'll allow it. This is a story of friendship hope and courage as Nick and Darlene's fates unravel before our eyes. Arthur learns something about evil from the small town of Sinnerville and its people but in spite of them he carries on to act courageously to try to help and later to try to locate and rescue his lifelong friend and his family. You may wish you had a friend like Arthur Banks who is persistent to the end. You may wish you had his courage and his grit in difficult times.
