Association First Place Award Scripture Academic Studies The striking scene of Judith cutting off Holofernes s head with his own sword in his own bed has inspired the imaginations of readers for millennia But there is more to her story than just this climactic act and more to her character than just beauty and violence This volume offers a comprehensive examination of gender ideologies in the book of Judith from the hyper masculine machinations of war and empire to the dynamics of class in Judith s relationship with her enslaved handmaid Overall this commentary investigates the book of Judith through a feminist lens informed by critical masculinity studies queer theory and reception criticism **Notes on Books, Being a Quaterly**

Analysis of the Works Published by Messrs. Longmans and Co. ,1885 **Biblical Theology of Life in the Old**

Testament Albert J. Coetsee, Francois P. Viljoen, 2021-11-30 Life is a primary theme in Scripture expressed in the rich diversity of the various books corpora and genres of Scripture Much has been published on what Scripture teaches about life and death To date however no comprehensive biblical theology in which the concept of life is traced throughout the different books and corpora of the Old and New Testament has been published It is this lacuna that this book aims to fill assuming that such an approach can provide a valuable contribution to the theological discourse on life and related concepts The primary aim of this book is to give an indication of the different nuances of the concept of life in the various books and corpora of the Old and New Testament by providing the reader with a book by book overview of the concept of life in Scripture The secondary aim is to give an indication of the overall use and function of the concept of life in the Old Testament the New Testament and Scripture as a whole The latter is provided by using the findings of the book by book overview of the concept of life in Scripture to draw the lines together Revelation Unsealed James L. Resseguie, 2021-10-11 This narrative commentary systematically examines John s Apocalypse from a narrative critical perspective After an introduction to

narrative criticism the volume focuses on point of view setting rhetoric character and plot in the Book of Revelation The rhetorical and symbolic significance of numerals are discussed at length as are the multifaceted characters in the book such as demonic animals locust beasts dragon birds and apocalyptic animals lamb four living creatures The symbolic significance of topographical architectural agricultural and other settings is emphasized The final chapter of the book is a summary of some of the major theological themes of Revelation The volume provides a useful methodology for the study of a much disputed book of the Bible **Research in Education** ,1974 *Resources in Education* ,2001-04 **Modeling and**
