

Name: _____

Aliteration Poem

Remember:

- This type of poem makes use of aliteration to describe a creature.
- It is humorous, whimsical form of poetry.
- The main words in each line will begin with the letter you choose to aliterate.
- Each line of the poem (except line 1) should have at least 4 words aliterating with the letter you chose.
- Do not repeat aliterating words you have already used.
- Use a dictionary to help!

Example:

I have a Sambaritan

He counters downy in sunny Sacramento

And sings in song sushi, spaghetti, burger soup, and sugary sunbees.

He likes singing silly songs, scaring scary snakes, and Scooby-Do.

A Sambaritan once went a duple dill to ski slippery slopes in Switzerland.

My Sambaritan showed up on a shiny, shimmering shoe last Sunday.

(name your creature and add -an to the end of the word)

(tell where your creature lives)

(tell what your creature eats)

(tell what your creature likes)

(tell something about your creature)

(tell something your creature did to you)

Eric Weiskott

Alliteration Poem Template:

English Alliterative Verse Eric Weiskott, 2016-10-27 A revisionary account of the 900 year long history of a major poetic tradition explored through metrics and literary history *Rhyme and Rhyming in Verbal Art, Language, and Song* Venla Sykär, Nigel Fabb, 2022-12-05 This collection of thirteen chapters answers new questions about rhyme with views from folklore ethnopoetics the history of literature literary criticism and music criticism psychology and linguistics The book examines rhyme as practiced or as understood in English Old English and Old Norse German Swedish Norwegian Finnish and Karelian Estonian Medieval Latin Arabic and the Central Australian language Kaytetye Some authors examine written poetry including modernist poetry and others focus on various kinds of sung poetry including rap which now has a pioneering role in taking rhyme into new traditions Some authors consider the relation of rhyme to other types of form notably alliteration An introductory chapter discusses approaches to rhyme and ends with a list of languages whose literatures or song traditions are known to have rhyme **Alliteration and Sound Change in Early English** Donka Minkova, 2003-03-13 This 2003 study uses evidence from early English verse to reconstruct the course of some central phonological changes in the history of the language It builds on the premise that alliteration reflects faithfully the acoustic identity and similarity of stressed syllable onsets Individual chapters cover the history of the velars the structure and history of vowel initial syllable onsets the behaviour of onset clusters and the chronology and motivation of cluster reduction gn kn hr hl hn hw wr wl Examination of the patterns of group alliteration in Old and Middle English reveals a hierarchy of cluster internal cohesiveness which leads to new conclusions regarding the causes for the special treatment of sp st sk in alliteration The analysis draws on phonetically based Optimality Theoretic models The book presents valuable information about the medieval poetic canon and elucidates the relationship between orality and literacy in the evolution of English verse *An Introduction to Middle English* R.D. Fulk, 2012-04-17 An Introduction to Middle English combines an elementary grammar of the English language from about 1100 to about 1500 with a selection of texts for reading ranging in date from 1154 to 1500 The grammar includes the fundamentals of orthography phonology morphology syntax regional dialectology and prosody In the thirty eight texts for reading are represented a wide range of Middle English dialects and the commentary on each text includes in addition to explanatory notes extensive linguistic analysis The book includes many useful figures and illustrations including images of Middle English manuscripts as an aid to learning to decipher medieval handwriting and maps indicating the geographical extent of dialect features This introduction to Middle English is based on the latest research and it provides up to date bibliographical guidance to the study of the language **Meter and Modernity in English Verse, 1350-1650** Eric Weiskott, 2021-01-15 What would English literary history look like if the unit of measure were not the political reign but the poetic tradition The earliest poems in English were written in alliterative verse the meter of Beowulf Alliterative meter preceded tetrameter which first appeared in the twelfth century and tetrameter in turn preceded pentameter the five stress

line that would become the dominant English verse form of modernity though it was invented by Chaucer in the 1380s While this chronology is accurate Eric Weiskott argues the traditional periodization of literature in modern scholarship distorts the meaning of meters as they appeared to early poets and readers In *Meter and Modernity in English Verse 1350-1650* Weiskott examines the uses and misuses of these three meters as markers of literary time medieval or modern though all three were in concurrent use both before and after 1500 In each section of the book he considers two of the traditions through the prism of a third element alliterative meter and tetrameter in poems of political prophecy alliterative meter and pentameter in William Langland's *Piers Plowman* and early blank verse and tetrameter and pentameter in Chaucer his predecessors and his followers Reversing the historical perspective in which scholars conventionally view these authors Weiskott reveals Langland to be metrically precocious and Chaucer metrically nostalgic More than a history of prosody Weiskott's book challenges the divide between medieval and modern literature Rejecting the premise that modernity occurred as a specifiable event he uses metrical history to renegotiate the trajectories of English literary history and advances a narrative of sociocultural change that runs parallel to metrical change exploring the relationship between literary practice social placement and historical time

Reconstructing Alliterative Verse Ian Cornelius, 2017-07-20 This book explores the history and development of English alliterative meter and considers why the form has remained so enigmatic **Multimedia Texts for Whole Class Teaching**

Pearson Education, 2004-08-26 A set of texts workbooks and teacher's manuals designed to teach art techniques by application *Winner and Waster and Its Contexts* W. Mark Ormrod, 2021 First recent full length analysis of a major medieval poem

Gale Researcher Guide for: William Langland's Piers Plowman Eric Weiskott, Gale Researcher Guide for William Langland's *Piers Plowman* is selected from Gale's academic platform Gale Researcher These study guides provide peer reviewed articles that allow students early success in finding scholarly materials and to gain the confidence and vocabulary needed to pursue deeper research **Exploring Poetry with Young Children** Ann Watts, 2016-08-05 With the

increased focus on children's language in Early Years education poetry can be a valuable tool in enhancing speaking listening and communication This book provides parents and practitioners with a guide on how and where to start with using poetry with children Combined with practical suggestions on finding and using poems with children of differing ages and language ability it also offers advice on how to encourage children to create and develop their own poems *Exploring Poetry with Young Children* includes an anthology of a wide range of poems to use with children based on their everyday experiences ensuring that adults can enhance the learning experience as it happens and enrich the language development of the children in their care Divided into two parts this book covers the nature of poetry and why it can be such an important part of our well being ways of using and sharing poetry with babies and toddlers how to share poetry with children as they become confident users of language the rhyming aspects of verse and ways in which these can be used to develop children's phonic awareness the importance of establishing a poetic awareness in young children This will be an essential guide for all Early Years

practitioners students and parents who are interested in using poetry to develop the speaking listening and communication skills of young children
