A Woman's Guide to Navigating a Successful Career in Healthcare Information Technology Jeffery

Daigrepont, 2024-06-19 This book features over 50 of the industry's brightest female pioneers who share insightful lessons backed by several years of experience as well as tips for navigating a successful career in HIT. The intent of this book is to provide the opportunity to capture stories from highly successful women to inspire the next generation who want to pursue a career in HIT and to inspire those already working in the field who are eager to advance in their careers. This book also provides insights on industry opportunities, ways to deal with harassment, the history of female tech innovators and negotiating competitive salary and employment agreements. Additional industry experts provided guidance on tapping into venture capital funding and tools for career development. A comprehensive resource guide and glossary of industry terms are also included. Co-authors included Amy Sabillon, MSI, Ayanna Chambliss, CAP, SHRM, CP, Lindsay Rowlands, MHA, and Stacey B. Lee, JD.

Security + Study Guide and DVD Training System Syngress, 2003-01-30 Why has CompTIA, the high profile Computer Technology Industry Association behind the wildly popular A+ and Network+ certifications, targeted security for its latest credential? Thanks to soaring e-business initiatives and worldwide Internet connectivity, recent survey stats from the Computer Security Institute (CSI) show we need more network security specialists fast. Boasting a one-of-a-kind integration of text, DVD quality instructor-led training, and Web-based exam simulation and remediation, the Security Study Guide DVD Training System gives students 100% coverage of official CompTIA Security exam objectives plus realistic test prep. Security is sure to become an instant industry standard. Leading cert industry publications and Web portals forecast the rapid rise of security certifications in 2003, and CompTIA's growth curve of A+ and Network+ technicians suggests that Security-certified engineers could easily number 100,000 by the end of next year. The first Security study resource to market, the Security Study Guide DVD Training System bundles all 3 of these teaching technologies to give Security candidates the edge they need to pass this career-boosting new exam and achieve certification on their very first try. Syngress has become a leader in IT certification, blending innovative teaching methodologies with such groundbreaking tools as exam simulators, instructor-led DVDs, and integrated Web-based support.

A Practical Guide to Localization Bert Esselink, 2000-01-01 Translation technology has evolved quickly with a large number of translation tools available. In this revised addition, much content has been added about translating and engineering HTML and XML documents, multilingual web sites, and HTML-based online help systems. Other major changes include the addition of chapters on internationalization, software quality assurance, desktop publishing, and localization support. There is a focus on translators who want to learn about localization and translation technology.
