Vera Zasulich ,1983-08 This is the first complete biography in any language of the Russian revolutionary Vera Zasulich who gained worldwide prominence in 1878 by walking into the office of the brutal General Trepov Governor of St Petersburg and shooting him Acquitted by a sympathetic jury she escaped to Western Europe where she became a Marxist and spent the next quarter century tirelessly preaching the revolutionary cause and trying to keep the peace among Russian socialists and populists Although she returned to Russian after the 1905 Revolution she was too ill and discouraged by her failure to unite the various revolutionary factions to remain politically active Zasulich embodies many important characteristics of the Russian revolutionaries of her time Some had their positive side the disenchantment with autocratic rule that caused the intelligentsia to turn against the state the peculiarly Russian penchant for carrying ideas to their logical conclusion as in the shooting of Trepov the conviction that the affluent and the educated must take the lead in redistributing society s resources But there were also inevitably the ravages that revolution inflicted on the lives of those who adopted it as a profession the disillusionment the broken friendships the damaged psyches In 1919 two years after the Bolshevik Revolution which she condemned Vera Zasulich died poor and virtually friendless in Petrograd *Business Education Index* ,1951 **A New History of Western Art** Koenraad Jonckheere,2022-10-15 A radical re examination of 2 500 years of European art deconstructing and demystifying its long history from ancient to present How has art evolved from the pursuit of the ideal human form to a black square on a white canvas Why is a banana duct taped to a wall worth more on the art market than a

beautiful seventeenth century landscape By taking art for what it actually is a piece of stone or wood a sheet of paper with some lines drawn on it a painted canvas this lively and accessible account shows how seemingly meaningless objects can be transformed into celebrated works of art Breaking with conventional notions of artistic genius Koenraad Jonckheere explores how stories and emotions give meaning to objects and why changing historical circumstances result in such shifting opinions over time Tracing its story from ancient times to present A New History of Western Art reframes the evolution of European art and radically reshapes our understanding of art history Published in association with Hannibal Books
