Now, how did that make you feel? Probably just the same as many learners feel when they take multiple-choice (or shall we say multiple-guess?), timed, "tricky" tests. To add to the torment, if this were a commercially administered standardized test, you would probably get a score that, in your mind, demonstrates that you did *worse* than hundreds of people! If you're curious about how you did on the GRE sample quiz, check your answers on page 23 at the end of this chapter.
