Moving Sound: A Textbook for Dalcroze Teacher Training towards the Dalcroze License Jeremy Dittus, 2025-04-08 Dalcroze Education is an experiential way of knowing music through the body. This dynamic and profound philosophy stems from an oral tradition that can be traced back to those who studied directly with mile Jaques Dalcroze in Geneva Switzerland during his lifetime 1865-1950. Recent trends in music education and Dalcroze students' stated needs have demanded more specificity and accessibility; these books aim to meet those needs by providing examples of many important skills necessary for a successful Dalcrozian without being narrow or prescriptive. Dalcroze Eurhythmics, Solfege, Improvisation, Plastique Animée and Pedagogy are all addressed in these volumes with specific skills necessary to earn the internationally recognized Dalcroze License. Students who use these books should already have their Dalcroze Professional Certificate by an authorized Dalcroze Training Center run by someone who holds the Diplôme Supérieur from the Institut Jaques Dalcroze in Geneva Switzerland. It is my hope that these books will enable individuals to gain access to la M-thode Jaques Dalcroze with more efficiency and facility while maintaining the high standards of musicianship that are required to offer joyful and musically inspiring coursework in Dalcroze Education.

Developing Musicianship Through Aural Skills Kent D. Cleland, Mary Dobrea-Grindahl, 2013-09-05 A textbook for learning to hear, sing, understand and use the foundations of music as a part of an integrated curriculum for musicians. It provides you with the musical terms, progressions, resolutions and devices that you can draw upon as a functional and usable musical vocabulary.

First-Century Truth for a Twenty-First Century World David Gibson, 2011-09-30 Can society function without a common standard of weights and measures, currency and time keeping? Is competition in athletics possible without rules? But what about religion? Is it left up to each person what to believe and practice or is there a universal standard? There is God sent Jesus not only to die as our Savior but also to reveal an authoritative message for our salvation. Jesus then transferred this message to the apostles. Guided by the Holy Spirit they in turn preached this message which is now preserved in the New Testament. This is our standard today.
