Aloof Figuring Out Life With A God Who Hides:

Aloof Tony Kriz, 2015-01-20 God are you there is a near universal cry of the human heart We have all longed for God to be tangible Some might sway to worship music others go on missions others fast from food The universal quest is to feel the divine and yet the divine seems aloof even shy In this narrative driven book Tony Kriz leads the reader on a journey of orchestrated epiphanies along the eternal quest to tangibly encounter God including the unpredictable moments that give us hope and even more so the long gaps between those moments that challenge our faith Written in an authentic conversational style *Aloof* is easily accessible to those who don't know much about the Bible yet the message is still theologically informed and culturally relevant This book will help you process how God acts uniquely towards us depending upon each stage of life The chapters include contemporary real life stories that normalize the experience of an often hidden God while also aiding the reader to acknowledge the very real moments rare though they may be when God has shown up in a tangible way

Stumbling toward Wholeness Andrew J. Bauman, 2018-09-18 We desire to be transformed to grow more and more like Christ But for many of us our strategies for change don't work We misperceive God as a judgmental Father leaving us demoralized and paralyzed by shame *Stumbling toward Wholeness* offers a new strategy for spiritual growth and life transformation regularly returning to the arms of a kind and loving Father There are many books that explore the parable of the Prodigal Son but few approach it with the personal vulnerability and psychological insight of Andrew Bauman Andrew shows how taking the time to identify with each of the brothers in this story can help us come to terms with our own brokenness and the need for God revealed in it We discover a process of change that applies to each of us and a healing journey that moves us toward the likeness of the Father in how we love the people around us and address the pain others have caused us
