Read the excerpt from Martine's personal narrative about receiving a birthday gift.

I ripped carelessly through the wrapping paper to reveal a plain, brown box. My eyebrows raised in anticipation. What could be inside? My fingers worked more slowly now, pulling back the tape that held the box shut. As soon as the flaps sprung open, I peered inside. But I inwardly shuddered when I discovered three pairs of bright neon-green socks. Oh no, I thought, These look hideous. I would never wear something like these, but I also don't want to hurt my aunt's feelings. What should I do? I furrowed my brow and bit my lip, uncertain what to do next.

What could Martine include in this excerpt to engage her readers?

- ☐ descriptive details that paint a picture for readers.
- ✖ ☒ personal pronouns that establish the point of view
- ☐ language that explains what the writer was feeling
- ✓ ☒ dialogue that shows how the people in the story interact
