begin to spill over into your waking hours For months Jill a twenty something lesbian had been daydreaming about her sexy Latina co worker Marie Interesting things start to happen when her night dreaming begins to involve nocturnal trysts with her fantasy paramour When the women discover they are having the same dreams they raise the stakes on their telepathically shared nightlife Their dream world shatters when Marie s nocturnal passion overflows into her daytime relationship with her violent sexually addicted husband In My Dreams illustrates the blurring of boundaries we experience when we enter the world of our dreams It also reminds us that there are always consequences when we begin to act consciously on that inner world of the dreaming mind Sometimes those consequences are harder than anyone could have anticipated **Adweek** ,2009
