Product/Service Solutions** Roger More,2016-05-06 Marketing High Profit Product Service Solutions addresses one of the
most exciting and growing strategic marketing opportunities facing product and service companies bundling Many customers
want bundled products and services which represent integrated solutions to their problems rather than buying individual
products and services piecemeal and if you become that supplier it can transform a company There are many outstanding
examples Magna International grew in several stages from a supplier of basic individual auto parts to a company
manufacturing a product service super bundle ultimately sourcing and assembling the entire car itself GE developed their
business involving the supply of medical imaging machines to hospitals to become a super bundler of complete hospital
radiological floor imaging operations planning installation and integration IBM transformed their position as a supplier of
individual hardware software and peripherals to companies into a product service solution bundler of increasing complexity
and finally into the super bundle of BPO Business Process Outsourcing representing an outsourced and complete integrated
IT solution set for clients entire global operations Roger More explores what was learned by these leading companies
amongst others when they transformed their market strategies to become bundlers of complex integrated customer solutions
Over many years the author has developed and tested new concepts maps and tools for use by a wide variety of managers in
developing strategies for these bundled product service solutions His book now offers these maps and tools to all who invest
