The Elephant in the Room Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6:4-8 and Isaiah 54:13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner

Chongo Mundende, 2012-09-07 We live in interesting times In our times we know many facts but lack faith We know so much about medicine but enjoy little health We ask many questions but receive few answers Living in a broken world in times where wrong is considered right and right is considered wrong we question the reality of the existence of God Yet wherever we look we see battered scarred bruised maimed and broken people crying for Him God is always present He is never caught off guard or taken by surprise The problems and heartaches we face are a result of sin The solution to sin is Jesus Christ the Creator Savior Sustainer and Answer to all our questionings By accepting Him beholding His love and mercy and studying

His Word our lives are transformed into His likeness We become new creations Jesus left the splendor of heaven to come and die for us on a cruel cross at Calvary for the sins He did not commit He would have come and died for us if we were the only sinner in the whole universe In Times Like These is about Jesus and His love for lost humanity In times like these we need Him every nanosecond of the day and night He is coming back soon to take His children home A home where there is no pain cancer disease tears of sorrow or disappointment Will you go with Him to Paradise Now is the time to get ready A

Difficult Questions on Dinosaurs Richard Pittack, 2011-07-01 This book is not the typical Questions and Answers on Dinosaurs book It is not a book for children enabling them to find out the largest recorded dinosaur to discover what dinosaurs ate or even how they managed to get up after nap time An informative book on the biology and anatomy of the mighty reptiles it is not The series of questions in this treatise of answers has arisen from meetings conducted on dinosaurs The questions have come from all kinds of people in various and sundry walks of life Some of the questions were common and not much is to be learned from answers to such generalities However some of the questions are not only posited by the curious but come from hearts filled with consternation while contemplating the subject of Theodicy Did the Creator contribute heavily to the world s landscape of tooth and claw Is the canvass of God s creation not only etched in blood but filled with the stench and smell emanating from the so called Mesozoic Era of the past

What Every Seventh-Day Adventist Should Know About the Shepherd'S Rod Garrick D. Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd s Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd s Rod author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd s Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff

and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the Rod s message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd s Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism
