Building on twenty years experience as a policy insider in the international community the author provides qualitative interviews with many other practitioners including high ranking officials from different organisations and foreign services as well as with scholars who have alternated academic engagement with appointments to key policy roles in diplomacy. Containing example scenarios and practice exercises throughout this pioneering book helps students graduates and professionals aspiring to build a career in international affairs to acquire practical skills which are essential to recruiters in the diplomatic world international institutions NGOs think tanks as well as the private sector

The Farmer's and Planter's Encyclopedia of Rural Affairs Cuthbert William Johnson,1855 **The Farmer's Encyclopædia, and Dictionary of Rural Affairs** Cuthbert William Johnson,1844 The Farmer's and Planter's Encyclopaedia of Rural Affairs Cuthbert William Johnson,1851 **Surprise Attack** Ephraim KAM,Ephraim Kam,2009-06-30 Ephraim Kam observes surprise attack through the eyes of its victim in order to understand the causes of the victim's failure to anticipate the coming of war. Emphasizing the psychological aspect of warfare Kam traces the behavior of the victim at various functional levels and from several points of view in order to examine the difficulties and mistakes that permit a nation to be taken by surprise. He argues that anticipation and prediction of a coming war are more complicated than any other issue of strategic estimation involving such interdependent factors as analytical contradictions judgemental biases organizational obstacles and political as well as military constraints. **Surprise Attack The Victim's Perspective** offers implications based on the intelligence perspective providing both historical background and scientific analysis that draws from the author's vast experience. The book is of utmost value to all those engaged in intelligence work and to those whose operational or political responsibility brings them in touch with intelligence assessments and the need to authenticate and then adopt them or discount them. Similarly the book will interest any reader intrigued by decision making processes that influence individuals and nations at war and sometimes even shape national destiny.
