Honestly Mark Wingfield, 2023-01-24 Author Mark Wingfield combines his theological training as a pastor and his skills as a journalist in this exploration of truth and faithful truth telling Truth is often elusive in our culture but Wingfield maintains that the Bible has been misused by some to perpetuate certain kinds of lies and untruths Exploration of key biblical texts is woven together with stories drawn from personal experience and news stories from both church and our present day culture Wingfield points to a lack of real truthfulness that plagues America in both politics and religion today We are shouting well worn sound bites at each other from opposing platforms Precious few of us are willing to step in the middle and facilitate dialogue and those poor souls who do often get shot down from both sides Rampant self interest can lead to supporting lies and holding tight to particular stances that are not aligned with the Bible's ethics of justice and love The book begins with the important question What Is Truth and explores biblical truth on topics such as creation race climate change evolution Jesus and truth liars in the Bible and the truth telling of the prophets Final chapters look at the truth about who we are and what truth looks like in our current post Trump era A study guide is included to help facilitate group conversation about each chapter

Everything You Ever Wanted to Know About the Bible But Didn't Know Who to Ask Floyd Hale, 2004-04-20 Floyd Hale's answers to Bible questions are not only edifying but delightful Hale has a common touch that communicates easily with his audience I also appreciate his including the occasional letter to the editor which lambastes him for some point of view I think this book makes a real contribution to the understanding of our Holy Scriptures John S Spong retired Bishop Episcopal Church Floyd Hale's thorough and competent use of contemporary biblical studies and historical criticism has often landed him in hot water with readers of a more conservative and fundamentalist persuasion here in America's Bible belt The combination of unorthodox theology and folksy style is provocative and insightful In the emotional heat of reaction some of his readers miss the subtle humor enjoyed by others The wit and wisdom of these articles are mixed with uncommon courage Not many pastors with Floyd's knowledge of the Bible are willing to risk the pain associated with sharing it in a public forum William B Lewis retired Bishop United Methodist Church This collection of Floyd Hale's newspaper columns The Bible Says should prove refreshing and stimulating not to mention informative to just about everybody John Killinger former President of the Mission for Biblical Literacy
