Government BY the People Steven M. Henninger,Samantha Henninger,2015-11-11 The United States of America is failing We the people see the devastation coming and fear for the future of our children our county and the world Yet hope exists The hope for the future of the United States rests not in the hands of the corrupt politicians manipulating and ruling from Washington but in the hearts hands and strength of the courageous citizens of the United States of America We the people of the United States are known for our strength of character courage in the face of adversity and unshakable belief in fighting for what is right More than two hundred years ago our ancestors united to fight for Independence from a government that taxed without representation and ruled based on the desires of a powerful few By fighting on the side of right our ancestors won independence and freedom for each one of us Through bravery determination and a steadfast belief in equality freedom and justice we the people of the United States of America can win the war that has been thrust upon us by the corrupt the power hungry and the unjust United we can break the back of the political elite dismantle the oppressive machine that has become our government and return our great country to a system of government that operates only at the will of the people and defends equality freedom and justice for all Each patriotic American citizen must seek out the few honest politicians left in Washington the unbiased media personalities hidden among the propaganda pushers and our fellow citizens who embody the American spirit and fight for the change that we know must happen We must make our voices heard all the way to Washington We the people of the United States of America in order to return to a more perfect Union restore justice and reinstate a government by the people and for the people must demand the corruption in Washington stop today
