

EXAMPLE ON HOW TO ANSWER CASE STUDY?

Sample case :

Farid was a director of Lotos Mall. He instructed his manager to sell some items at the higher price than they advertised. Thus, the company had been sued for misdescription offences. Farid has been blamed for the offence. However, Farid claimed that the company that was to be blame for the offence, not him. Was the offence committed by Lotos Mall or by Farid?

1. Issue :

- a. Whether the company can be blamed solely for the offences or not
- b. Whether farid can be held responsible for that offences of misdescription of price or the Lotos Mall?

2. Formulation : In Farid situation, Farid should be held responsible for the offence. It is because he had given instruction his manager to sell some of the items at a higher price. When a company commit wrong action, the company cannot think or act by himself to commit such wrong action. Thus we have to look behind the veil of the company to determine the person who shall be responsible for the wrong doing.

3. Legal Principle and supporting case :

Section 20 CA provides that a company incorporated under this Act is a body corporate and shall :

- (a) have legal personality separate from that of its members; and
- (b) continue in existence until it is removed from the register.

Further, **Section 21** states that the companies will have unlimited capacity and will be capable of exercising all the functions of a body corporate and have the full capacity to carry on or undertake any business or activity including:

- (a) to sue and be sued;
- (b) to acquire, own, hold, develop or dispose of any property;
- (c) to do any act which it may do or to enter into transactions.

A company shall have the full rights, powers and privileges for the above purposes.

Supporting case :

In the case of **SALOMON v SALOMON & CO. LTD**

Salomon, a sole trader as a leather and boot merchant sold his business to Salomon & Co. Ltd, a company he formed with his wife and children. Payment for the purchase was partially effected debentures issued by the company to Salomon. The company later went into liquidation and its assets were not enough to satisfy its creditors. Mr. Salomon however claim priority over the other debtors as he was a secured creditor.

Held: Mr. Salomon the creditor is a person separate and distinct from Salomon & Co. Ltd even though Mr. Salomon was the majority shareholder of the company.

International Business and Management Research Rebecca Marschan-Piekkari,Catherine Welch,2011-01-01 This important and original book places the case study in international business research in its historical context critically evaluates current case study practices in the field and proposes a more pluralistic future for case research within international business and international management research While the case study is the most popular qualitative research strategy in the field only a narrow selection of possible approaches is currently used IB and IM researchers typically rely on a case study approach that could be characterized as qualitative positivism The editors and contributors look beyond this disciplinary convention and encourage greater pluralism in IB and IM case research Their key argument is that increased awareness of prevailing disciplinary conventions and their limitations increases the potential for methodological innovation

and versatility in case research The contributions provide critical novel and innovative perspectives on the case study in IB and IM research The book offers inspiration to case authors and an authoritative methodological reference for those publishing and reviewing case research It will also be highly regarded by postgraduate and doctoral students in IB and IM as well as both qualitative and quantitative researchers in the field
