Adding Notes to Your Timescard

You can add notes that apply to individual transactions and rows in the entire timescard. Your supervisor and your company's Time & Attendance practitioners can view all of the notes that you enter.

Want to see a short demonstration on how to add notes to your timescard? Click [here](#) and enter your ID# (first name - last name) and password.

Adding a Note to a Timescard Transaction or Row

Logging Into Myself > Time & Attendance > My Timescard

1. In the **Notes** section, click on the **ADD** button to add a new note.

2. In the **Notes** section, enter a note.

3. In the **Apply Note To** field, select the transaction or row to which you want to apply the note.

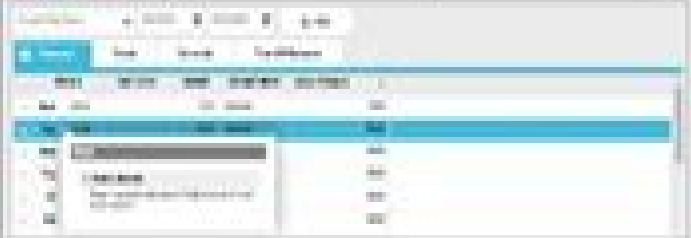

The note section can be used each day or you can add one note for the entire payroll. In the past, manual timescards use to list how many hours were spent on different activities each day. With this timescard, you can only enter the full hours per day, but you can use the note to enter what happened that day or for the week.

4. In the **Notes** section, select a note, if applicable.

5. **Click OK**

Result: The **OK** button indicates a new note is in the timescard. You can right click the note and select **Edit** or **Delete** to edit or delete the contents of the note.
