The Hellraiser Films and Their Legacy Paul Kane,2015-05-07 Best selling horror novelist Clive Barker s 1987 film Hellraiser has become an undisputed horror classic spawning a movie franchise that to date includes eight films Exploring not only the cinematic interpretations of the Hellraiser mythos but also its intrusion into other artistic and cultural forms this

volume begins by identifying the unconventional sources of Barker's inspiration and following Barker from his pre Hellraiser cinematic experience through the filming of the horror classic. It examines various themes such as the undermining of the traditional family unit and the malleability of the flesh found throughout the film series and the ways in which the representation of these themes changes from film to film. The religious aspects of the films are also discussed. Characters central to the franchise and the mythos are examined in detail.

Unfortunately, she doesn't realize her father's business isn't completely lawful or how that fact will completely dictate her future. Pre-law student Adrian Patras is certain Giada is the perfect woman for him until he meets her family and grasps the extent of his girlfriend's naivete. As Adrian finds himself unwillingly pulled into the family business, Giada grows frustrated with his insinuations about her father. Meanwhile, Giada's ex, the notorious Luca Marino, pops back into her life with his own criminal agenda that includes winning her back. Mafiosa Princess is the captivating first book in the steamy mafia romance series that you won't want to put down.

The Brilliance Trilogy Lisa Renee Jones, 2024-09-19 The trilogy deemed mesmerizing and brilliant is finally delivered in one sinful package. It all started with a note, just a simple note, handwritten by a woman I didn't know, never even met. But in that note is perhaps every answer to every question I've ever had in my life. And because of that note, I look for her but find him. I'm drawn to his passion, his talent, a darkness in him that somehow becomes my light, my life. Kace August is rich, powerful, a rockstar of violins, a man who is all tattoos, leather, good looks, and talent. He has a wickedly sweet ability to play the violin, seducing audiences worldwide. Now he's seducing me. I know he has secrets. I don't care. Because you see, I have secrets too. I'm not Aria Alard as he believes. I'm Aria Stradivari, daughter to Alessandro Stradivari, a musician born from the same blood as the man who created the famous Stradivarius violin. I am as rare as the mere 650 instruments my ancestors created. Instruments worth millions. 650 masterpieces, the brilliance unmatched. 650 reasons to kill. 650 reasons to hide. One reason not to him.

Diocletian and the Military Restoration of Rome Lee Fratantuono, 2023-05-04 The third century AD was one of unprecedented crisis and chaos for the Roman Empire. Nightmares both internal and external threatened to spell the end of Rome's thousand-year history. Diocletian was born either a slave or a freedman and he grew up to become the savior of Rome in her hour of crisis, a powerful military and political leader who transformed the Roman Empire from a hotbed of unceasing strife and turmoil into a renewed, restored, revived, and stable polity. His more than twenty years of power were marked by the ill-fated Great Persecution of the Christians, an undertaking that would prove to be one of the less successful initiatives of his reign. Even as in its own way it helped to pave the way for the coming of an equally famous, successful emperor in the person of Constantine the Great. The present study seeks to provide an introduction to the life and times of Diocletian for the general reader, offering a balanced portrait of an immensely talented man in a time of trial and tumult, an accomplished emperor who knew when it was time to retire to his gardens.

José, 1982 *For the Gay Stage* Drewey Wayne Gunn, 2017-06-02 Previous surveys of the gay theatrical repertoire have concentrated on plays produced on Broadway or in London's West End. This comprehensive guide goes well beyond these earlier studies by introducing productions from Off Broadway from regional theaters in the U.S. and U.K. and from Ireland, Canada, Australia, New Zealand, and South Africa. Also included are Puerto Rican, Indian, and Filipino plays written in English as well as translations from other languages. Well over half of the works discussed here appear for the first time in such a study.
