she would be getting new things to wear at the Institute Stacie was completely naked down to the thighs exposed in the bright spring sunshine to Mommy s hand after the cheap jumpsuit had been mostly torn away The fabric trapped her legs and between Mommy s fingers pulling her hair and keeping her head immobile Stacie felt as if she could barely move She wriggled wildly like a fish on a line trying to break free trying to escape the outrage of the spanking by any means necessary Each hard slap burned her ass like fire the pain building up bit by bit but no matter how hard she struggled she couldn t get away She could feel Mommy s thighs long and round and soft underneath the bare skin of her belly and her small bare breasts ground against the rough splintery wood of the bench With every spank Mommy dug her nails into Stacie s hair pressing her cheek against the wood and holding her in place pressing half moon grooves into her scalp The Washington Post Index ,2000 The Times-picayune Index ,1989 **The Advocate** ,2004-01-20 The Advocate is a lesbian gay bisexual transgender LGBT monthly newsmagazine Established in 1967 it is the oldest continuing LGBT publication in the United States **New York Magazine** ,1993-09-13 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **Los Angeles Magazine** ,2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian Hospital Literature Index ,1980 **Los Angeles Magazine** ,2003-03 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **Chicago Tribune Index** ,2008
