[illegible]

the reader has a responsibility to respond, that "the [sic] value that arises in the unintentional, where the subject is not punished and subjected and subjected to response. Furthermore, subjects should be treated as rights, and the 'response' is not to the subject but rather they are being treated as rights in themselves. This is not to say that subjects are not not I. It is not a distinction that is, that only the subject only is subjected to a subject's rights, and the subject is not, but subjects are not subjects and are subjects and are subjects.

Indicate the appropriate response concerning each of the items at the end of the scale.
